**WE MUST DEFEND
THE FAMILY
FROM MASONIC
CORRUPTION**

Declaration of a High Prelate: **LET HIM BE ANATHEMA!**

FROM THE "TOILETS" (BERNINI'S COLONNADE!)
TO THE "EXPO 2015" [HE] CONTINUES TO DEBASE
THE HOLY ROMAN CHURCH, IN THE NAME OF MASONRY,
WORSHIPPING SATAN AND THE "MAN-GOD"!

The anti-pope and anti-Christ Ven. Master Freemason, Cardinal Jorge Mario Bergoglio SI, – the self-styled [so called] “Pope Francis” – of whom he claims to be His “Vicar on earth,” will be judged by Our Savior, Jesus Christ, among other things, for his Satanic and blasphemous heretical teaching, as an au-

thentic “Apostate” as an observant Freemason “worshiper of Satan” – who challenges Our Savior, Christ, God and Holy Spirit, blasphemes “21” centuries of earthly history of the Holy Roman Church, trivializing everything and destroying all doctrinal values of the Old and New Testament (Holy Gospel), deliberately forgetting, as an

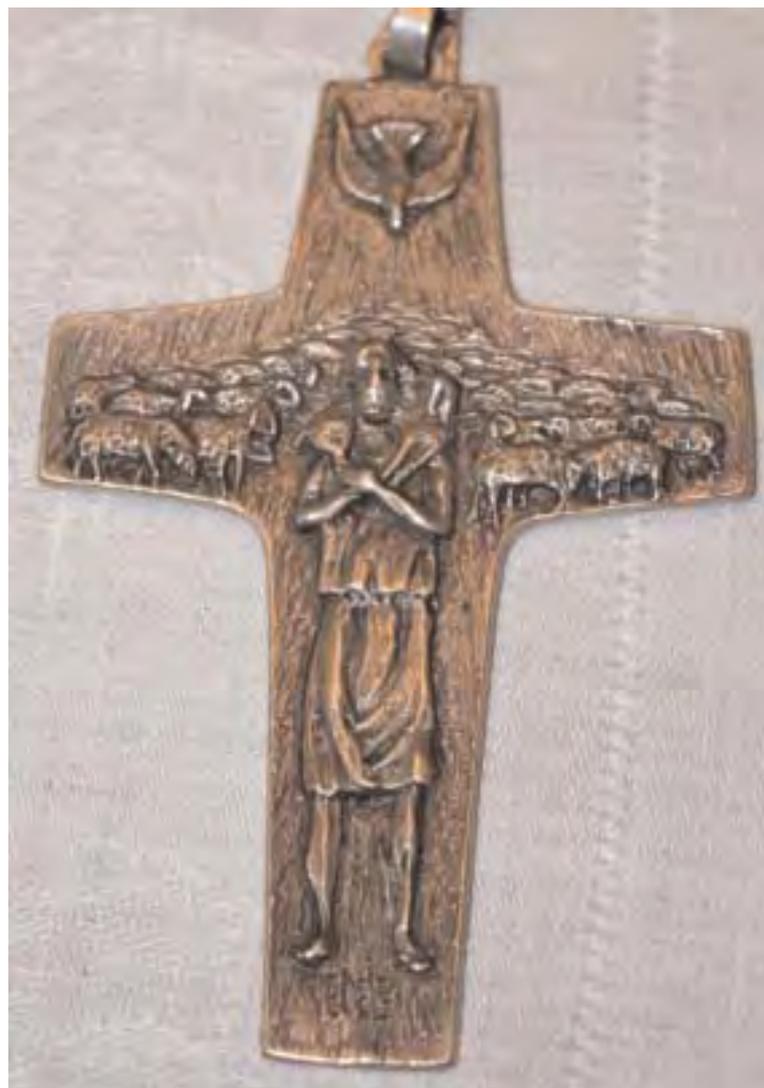

hypocrite of the worst kind, the Holy Roman Church is **“Revelation and Tradition,”** in the rock-solid certainty and salvific: **«PORTAE INFERI NON PRAEVALEBUNT ADVERSUS EAM!»** [“The Gates of hell shall not prevail against it!”]

He always prostrates himself to **“Masonic globalism”** and to the **“MAN-GOD”!**

What has he accomplished ... **“toilets”** in the colonnade of Bernini, **the pavilion at “Expo 2015,” “the vile cross of tin!”** without bearing the symbol of

Francesco, “Bishop of Rome,” with the crozier made from “rotten wood, taken from the boats of immigrants.”

The **pectoral cross** of Francis “Bishop of Rome.”

Why doesn't this cross symbolize the sacrifice of Christ on the cross?
 Why does the “Good Shepherd” carry on his shoulders a sheep with two horns?
 Why does the “Good Shepherd” have eyes and nose like those of the Baphomet?
 Why does the “Good Shepherd” cross his arms as in the ritual of the 33rd degree?
 Why is the dove-holy spirit, which inspired the “Good Shepherd,” identical to that of the Ordo Templi Orientis [Order of Oriental Templars] of the Bavarian Illuminati?
 Doesn't Francesco, “Bishop of Rome,” know that the Ordo Templi Orientis is a Masonic organization that has the task of promoting Satanic corruption, to bring all the secret societies under one governing center dominated by the Bavarian Illuminati?

Christ, Our Savior ... **“A crozier of rotten wood, derived from the boats of immigrants”** ... using another crozier at times, of the **“paralytic Christ”** [designed] by the Freemason sculptor, Manzu, and requested by the **Freemason and homosexual, Paul VI**, of whom he celebrated the “50th” of the **“Novus ordo Missae,”** authentic Lutheran elegy – of a suicidal Luther, strangled by remorse, like Judas Iscariot, succumbing to the will of Satan!

Inspired by the “prophecies” of the Irish Bishop, the Cistercian monk, Malachi (1143), in Pius XII, we can point to **“PASTOR ANGELICUS,”** while in the current “anti-pope,” Francesco, **“Magister sellae pro laxato alveo”** (Master of the latrine, where one defecates!) recalling the “toilets” of Bernini’s Colonnade”!

We must remind the Antipope of some evangelical laws such as:

“They are sins gravely contrary to chastity ... HOMOSEXUAL ACTS. These sins are expressions of the vice of lust ... “(492 par. “Catechism of the Catholic Church” - compendium - promulgated by Benedict XVI PP on 28.06.2005).

One must not forget that **the punishment for “homosexuality” in the Old Testament was “death”!**

The result of the blasphemous **“gay marriages”** in Catholic Ireland, has had only one firm voice of disapproval; that of the **Secretary of State, Cardinal Pietro Parolin**, who has - literally - said:

«A DEFEAT FOR HUMANITY! ... One cannot only speak of a defeat of Christian principles!” “The FAMILY remains at the center and we must do everything to defend it, protect it and promote it because the very future of humanity and of the Church ... is the family.»

«The marital union of man and woman,

which is founded and endowed with its own proper laws by the Creator, is by its very nature ordered to the communion and good of the couple and to the generation and education of children.» (par 338. op. cit).

«We must obey God rather than men» (Acts. 5, 29)

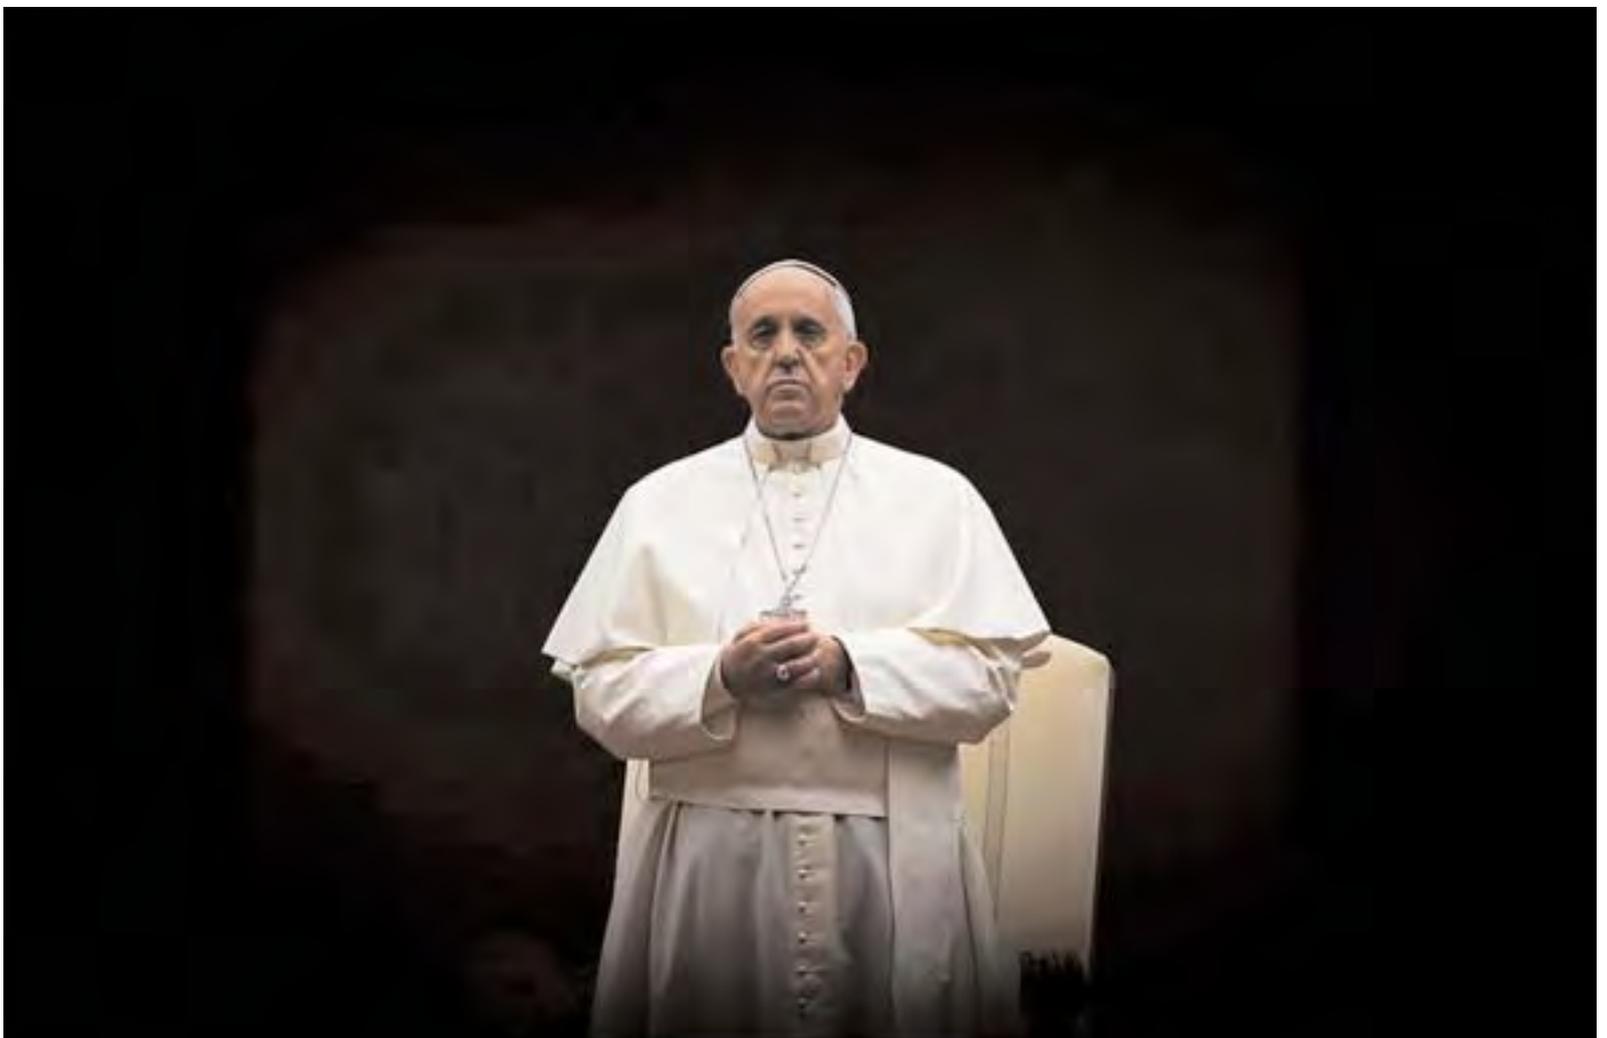

The anti-pope Francesco claims that **the bishops are not “pilots,” that they must not direct and guide the faithful!**

Perhaps future bishops will have to acquire a “license” of “a nautical or aviation pilot”?

In contrast, in the afore mentioned compendium of the “Catholic Catechism,” it is written:

«The bishops ... have the duty of proclaiming the Gospel faithfully and AUTHORITATIVELY to all as authentic witnesses of the Apostolic Faith dressed with the authority of Christ.

By means of a supernatural sense of faith, the people of God unfailingly ad-

here to the faith under the GUIDANCE of the living Magisterium of the Church.”

How can the Anti-pope, Francis, become an anti-Christ, mortifying and insulting the Holy Gospel and Catholic doctrine, **acting as a “despot” that ignores laws and traditions?**

The Holy Roman Church and all true Christians invite you to leave the throne of the Prince of the Apostles, where you took office, as a hired servant of Freemasonry! THE PUNISHMENT OF GOD AND OF OUR SAVIOR, JESUS CHRIST IS AT THE DOORS!

Why doesn't the Antipope, Francis, say that the slums, remembered by him with Machiavellian and Satanic fashion, **are those created and wanted by Freemasonry, reducing people to “misery,”** burdened with unfair and usurious taxes at the mercy of the governing servants of Judeo-Masonic finance, causing an increase in unemployment, social unrest, and delinquency **to reach a total De-Christianization in the name of the Man-God.**

The Freemason Antipope, Francis, should remember the countless Catholic sovereigns, elevated to the altars, from **St. Louis IX,** King of France, to the last emperor of Austria-Hungary, **Blessed Charles of Habsburg.**

In these present times, we cannot forget the behavior of some Catholic Heads of State: the president of Ecuador, **Don Garcia Moreno,** who consecrated that nation to the Sacred Heart of Jesus and was assassinated by Freemasonry; the head of the Spanish state, **Don Francisco Franco** who, after the victory of “**Cruzada,**” laid

down his sword at the feet of Our Lady of Montserrat; the new president (2015) of Poland, who went in a solemn procession, to pay homage to the Black Madonna of Czestochowa to thank Her after his “election”!

[The Altar is] Not, therefore, the “altar of the fatherland,” a Masonic construction, in defiance of Our Savior, Jesus Christ: **«The altar is the symbol of Christ himself ... THE SACRIFICIAL ALTAR OF THE CROSS... THE ALTAR OF THE EUCHARISTIC BANQUET»** (288 par. “Catechism,” 2005, op. cit.)

The Freemason Anti-pope, Francis, should use the “altar of the fatherland” for his “pontificates” with greater consistency!!!

WE MUST DEFEND THE FAMILY from Masonic Corruption

By **Rev. Fr. Luigi Villa Th. D.** and **Dr. Franco Adessa**

«The FAMILY remains at the center and we must do everything to defend it, protect it and promote it because the **FUTURE OF MANKIND AND THE CHURCH... IS STILL THE FAMILY.**»

These are the recent words of the **Secretary of State, Card. Pietro Parolin**, that express the permanent teaching of the Church that **the family is the foundation of all human civilization and the Catholic Church itself.**

But this truth was also very well known by the founder of the **Satanic Order of the Illuminati of Bavaria, Adam Weishaupt**, who taught initiates the “great mysteries”:

«But soon **an unhappy germ developed itself in his heart** (men); and rest and happiness disappeared. **AS FAMILIES MULTIPLIED**, the necessary means of subsistence began to fail. The Nomad or roaming life ceased; Property began; Men chose fixed habitations; Agriculture brought them together... It was this beginning of property therefore ... which struck the first mortal blow at **Equality and Liberty.**»

Only the family could multiply families; only the family could apply for a permanent home, a private property, productive work; only this plurality of families might feel the need of a religion, a government, a homeland, a military loyalty.

But in the name of the **Satanic Pantheistic sacredness of Nature, Adam Weishaupt** sought the elimination of **Civilization and the return to a system of tribal life.**

In fact, in 1776, he had been commissioned to found the **Order of the Illuminati of Bavaria** by **Mayer Amschel Rothschild** who, three years earlier, with a dozen of his financier friends, had called for a plan for the creation of a **World Government** whose program was summed up in these two sentences:

«**The TRUE NAME OF GOD will be deleted from the lexicon of life.**»

«... The Goyim (Christians) will destroy each other, but on a scale so massive that, in

the end, **only masses of the proletariat will remain in the world, with a few millionaires devoted to our cause ... and police and Military sufficient enough to protect our interests.**»

Weishaupt drew up his secret political program that included the **abolition of all government, private property, the right to inheritance, the abolition of loyalty to country and military, the abolition of all religion and especially the ABOLITION OF THE FAMILY.**

The main enemy and the most difficult to break down will always and only be **the FAMILY.** This was, for **Weishaupt, the source of all evil!**

It was the successor of Weishaupt, **Nubius**, and his collaborators that, in some secret instructions, detailed their ultimate goal and the methods to achieve it:

«**Our ultimate goal is that of Voltaire and the French Revolution: that is, the complete annihilation of Catholicism and even of the Christian idea (...). It is the youth that must be targeted: one must seduce the youth!...**» (Secret Instruction, “Nubius,” 1819).

«... Infiltrated the poison into the hearts of the elect, infiltrate it in small doses, and as if by chance (...) **The main thing is to isolate the man from his family, to make him remiss in his customs** (...) Excite him, seduce him, give him any importance; cautiously teach him to be bored of his daily work and, in this way, **after having separated from his wife and his children** (...) inspire in him the desire for another existence (...)

When you have managed to insinuate a disgust for family and religion (two things that are always in accord) arouse in him the desire to be closely affiliated with the “Lodge”» (Secret Instruction, “Little Tiger,” 1822).

«**We have embarked on a great corruption (...). corruption that must lead to the burial of the Church (...). Catholicism (...). does not fear the tip of a knife, but may fall under the weight of corruption (...). popularize vice in the multitudes; who will take in [vice] with the five senses, that they may be steeped in it (...). Make hearts vicious and you'll have no more Catholics** (...) Leave aside the old and mature men; **Go, instead, straight to the youth and if possible also to children** (...) To reduce Catholicism, the woman should be eliminated ... but since we cannot eliminate them, **we must corrupt them together with the Church** (...) **The best dagger to assassinate the Church and strike at the heart is corruption.** Therefore, work until the end!» (Secret Instruction, “Vindice,” 1838).

This level of corruption, especially in young people, is tinged with further details: «**The sexual magic is the final conclusion and the most secret doctrine of occult philosophy**» (Francesco Brunelli, Grand Master of Freemasonry and the Order of Memphis and Misraim and the Order of Martinist).

«**Sexual excitement makes children no longer capable of being educated; it leads to hatred; and hatred against their parents and against adults and, even against themselves (...). The loss of modesty is the first**

The Holy Family.

symptom of stupidity» (Sigmund Freud, “3 Responses,” Vienna, 1905. Freud was enrolled in the High Jewish Freemasonry of the B’nai B’rith).

And in a “plan” of Freemasonry, described in a secret circular it stated: «**Every trace of Christianity and of the Supernatural Life of Grace must be eliminated from education... (...).** Priests and Religious should be excluded from teaching. **Any distinction between the sexes in education, must disappear**» (“Chiesa viva,” n. 109, p. 5)

And we could go on to mention the hundreds of other similar determinations of Masonic Lodges. However, as is evident, **these “Masonic plans” coincide with “plans of Satan,” whose sole aim is to blacken the souls of men, to be worshiped by them as a “god,” making himself the head, which would be unchallenged, to a “world government” against the**

Kingdom of Christ and of His grace.

THIS IS WHY SATAN IS RAISING THE FLAG AND THE WORSHIP OF NATURE. Therefore, each of us, even today, in our time, must choose decisively our camp, because **“he who is not with Me is against Me”** (Lk. 15, 5, 23). That is to say: **there can be no neutrality between good and evil, between truth and error.**

Our life on earth is only a test site, and after death, we will be judged, for eternity, depending on the choice that we have made.

Human history, in fact, is made up of a permanent struggle that Satan (i.e. the “counter-Church” that St. Paul calls the “mystery of iniquity”) leads against the true Church, the Mystical Body of Christ.

The “mystery of iniquity,” then, is characterized by the rejection of Grace. While God, in creation, has made the natural order to coexist with the supernatural; **today we are witnessing the diabolical attempt of Lucifer and his allies to stir up A REVOLT AGAINST NATURE OF GRACE, to deify the creature, which, swollen with pride, is attempting to revolt against God and His order, claiming to establish a society where God is totally excluded.**

However, because Jesus has categorically stated that **«without Me you can do nothing»** (Jo. 15, 5, 55) it is mathematically certain that this new Promethean attempt of rebellion to God’s Law can only come to failure, to abomination and slavery! **Yes, because Christ has overcome the world and the devil!** Then, though we still live in a time of battle, we cry out **our Faith in Him alone – In Him be the power, the victory and the glory for ever and ever!**

SEX EDUCATION

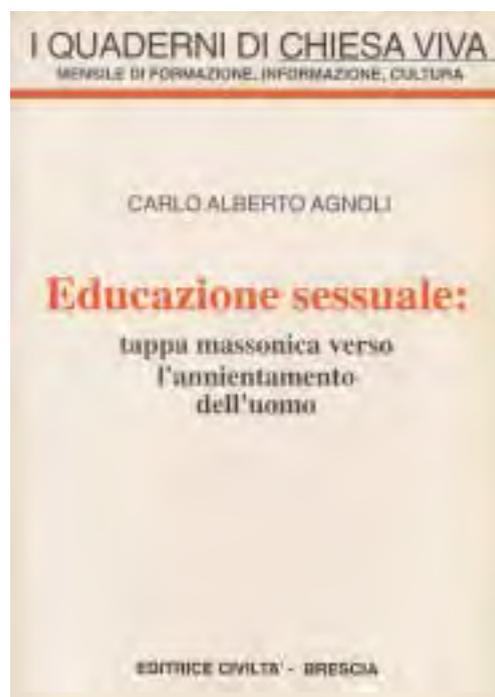

Masonic Step towards Annihilation of Man

We report excerpts from the book:
“**Sex education: Masonic Step towards Annihilation of Man**”
of **Dr. Carlo Alberto Agnoli** Magistrate, Councilor of the Court of Appeal
and published by Editrice Civiltà of Brescia, in 1992.
(For references, please refer to the book).

It is extremely difficult to imagine a tool of disinformation and manipulation of consciences more subtle, and therefore more safe and effective than **the bombardment of news, suitably selected and distorted**, which, paradoxically, in the name of freedom of thought and press, characterizes our current democratic and pluralistic society.

That hail of information that overlaps on one another in a continuous stream, stuns the target, and everything is soon forgotten, or at least passes unnoticed because immediately the attention is distracted to other news: the chronicles of crime overlaps with the news of the draft legislation; the attention of an audience, becomes increasingly dazed, tossed about, here and there, as if one has hangover in which one loses the taste for everything and everything is confused.

In the din of universal confusion of sensibility, **the hierarchy of values is darkened**, and so **the political power** – which is an expression of that same occult power that manipulates the sources of information! – **can pass almost unnoticed, maneuvers and reforms that are so vast in scope, introduced by stealth and without encountering any serious resistance.**

This is also thanks to the fact that **the boisterous disputes between the parties** that polarize public attention – although it is the people’s problem to figure it out! – **is only a game of the parties and conflicts cease, or are reduced to a minimum, in the face of great choices**, such as the now increasing and overwhelming tax burden, the pernicious reform of family law, the new Code of Criminal Procedure, etc. etc.

The Attentive observer, who will not be put off by the details, is aware of the fact that, in addition to the succession of governments and legislatures, **THE CONSTANT OF ALL THIS CONTINUOUS UPHEAVAL CONSISTS OF A GRADUAL, SYSTEMATIC AND PROGRAMMATIC**

DEMOLITION OF THE CHRISTIAN CONCEPT OF LIFE, of which is easy to recall some of the main steps: **divorce, abortion, already mentioned reform of family law, the gradual legalization of pornography, the near destruction of the criminal justice through procedural reforms, the incipient Islamization of Italy and the increase in drug trafficking through the absurd opening border invasion of the “non-EU.”**

Among these “reforms,” all of enormous significance, is one that stands out which is no exaggeration to define as **THE COUP DE GRACE TO OUR UNFORTUNATE PEOPLE**, and that has been left as a legacy from the tenth to the eleventh Republican Legislature.

We refer to **the draft law, the so-called “SEX EDUCATION,” providing for the introduction of sex education into “all levels” of school and therefore also into kindergarten.** The warning is all the more serious, as once the period of adjustment has passed after the shocking election, one can be sure that this project, which bears the obvious mark of occult power, will obediently be carried on with renewed vigor. In fact, it has already been approved in a report from the Seventh Commission of the House of Representatives on January 16 u.s., and, for its implementation, it has been earmarked by the Treasury for its own budget during the current financial year.

However, **in the face of what appears to us as a monstrous crime, we believe we are duty bound to raise our cry of alarm, informing the unsuspecting, arousing the idle and urging all to action and to battle. WE MUST FINALLY PUT AN END TO THAT PATHETIC GAME OF DEMOCRATIC DELEGATION WITH WHOM MODERN CATHOLICS,** by virtue of a little mark they have affixed, every so often, on an election symbol, feel relieved of any liability and any commitment of struggle and sacrifice and are delivered, **bound hands and feet, to a low class of prevaricators and corruptors who are turncoats unscrupulously serving the people, treating them like a herd of cattle,** while they hypocritically proclaim themselves to be their servants!

An examination of the bill immediately detects the intentional absence of a precise ethical benchmark. Article 3, in fact, expressly states that sex education will be given **“in the context of cultural pluralism.”** Now it is clear that what is not touted as a choice, **is actually a very clear choice: put the Catholic view at the same level as the Freudian pan-sexuality doctrines of “free love,” the concepts advocated by sexual perverts who, under the title: “gay,” have now organized into political pressure groups under the auspices of the Communist Party** (think ARCI-GAY), or obscene practices of Hindu and Buddhist Tantrism, so exalted in Freemasonry. **This is equivalent to saying that there is no rule, and THE APPARENT NEUTRALITY RE-**

SULTS IN A DECLARED WAR ON PURE, RIGOROUS AND DEMANDING CATHOLIC MORALITY.

In short, to give **“Playboy” Magazine and other pornographic magazines** the same authority as the Gospel **IS TO DENY THE DIVINITY OF CHRIST and, indeed, to mock Him, spit on Him and crown Him with thorns, as the soldiers did in the courtyard of the praetorian.**

This corrupting desire is also clearly evident in Article 1, subparagraph b) of the bill where it speaks of **“respect ... for the moral conscience of the young ... and the academic freedom of teachers.”**

It is clear, in fact, that the **“respect for the moral conscience of the young”** (yet sex education should be taught beginning in kindergarten!) means unequivocally that, after having awakened and aroused in them, by virtue of mandatory government programs – **and therefore without**

any respect for the moral convictions of their parents! – Curiosity and instincts still latent or dormant, **the “teacher” must scrupulously avoid any “repressive intervention” and let them give free rein to the drives so solicited and encouraged.** And what better age than when inhibitions are still very weak!

It is then all the more clear that, in the aforementioned framework of overt amorality, the so-called **“academic freedom of teachers” will be resolved in the legal irreproachability of any conduct by the same and the “outside experts”** that, according to Article 5, will be called in to teach children and youths **“extracurricular courses” on sexuality.**

And let’s imagine, for those who have a minimum of imagination, what kind of people are these **“outside experts”** in the field of sexuality! After all, not everyone will have forgotten that a few years ago, in this order of ideas, in a school of Bologna, an intervention of a **“sex worker,”** was called for in the classes - precisely an au-

thority was called in to train young people in this delicate matter with all the authority of his undeniable experience, (because it is undeniable that “practice makes perfect”!).

Nor will there be lacking, obviously, in a context of “healthy pluralism,” democratic representatives of the category of **“gay”** (in times less graceful and less ecumenical, brutally defined as **“sexual perverts”!**) to illustrate the concepts of life, the expectations and the **“rights”** of **“the diverse”** and **most especially, pedophiles.**

In this way, our children will be educated, from kindergarten, to “have respect for minorities” and a vision of the world that is more “open” and finally “liberated”

THE WORLD GOVERNMENT PLAN

«... The use of alcohol, drugs, moral corruption and all other forms of vices, must be used in a systematic way ...»

«We must not stop in the face of blackmail, deceit and treachery when we need to achieve our purpose.»

(Mayer Amschel Rothschild)

from narrow and obtusely “intolerant” and Counter-reformation” [type] attitudes!

This is the meaning and the inevitable outcome of the bill in question – that is, to encourage and motivate our children to any lasciviousness, and **expose them to any sexually indulgent initiative via teachers and experts** – this can be seen with even more clarity from the history of parliamentary “process.” And if this does not reach everywhere immediately, it will be reached, however, certainly, by degrees, as **we have seen the level of decency in the Western world plunging step by step during these years of democratic, libertarian and “anti-repressive” education!**

Important in this regard, as it is worth noting, a “project” with an agreed text that incorporates a series of previous proposals: one from a former **Communist Party** [member] one from the **Socialist Party**, from the **Christian Democratic Party** and one from – and in order to clarify the spirit [of the project] for our more optimistic and confident readers! – The **Honorable Ilona Staller**, known as “**Cicciolina**” (Draft Law no. 4201).

In particular, the psychoanalytic matrix clearly emerges and then that of Jewish-Masonry (do not forget, in fact, that **Freud** was a member of Freemasonry of the **Jewish B’nai B’rith**) and, as such, it is **radically anti-Catholic**.

In fact, in the report on the socialist proposal, filed July 2, 1987, we read that the proponents [state] that the purpose is to “**liberate young people from ignorance, prejudices, complexes and taboos that accompany the concept of sex,**” and “**to remove everything related to the aura of mystery of sex and then to break down every obstacle and every taboo.**”

Can it be clearer than that? Break down every obstacle, every taboo, all modesty really! **To make our children to be vicious, perverts, miserable, devoted to every immorality,** [and thus] **INCOMPETENT, TO RAISE A FAMILY TOMORROW.**

This is the stated purpose of our legislators and rulers! It is then clear that the words “**ignorance**” and “**prejudice**” are meant to refer to the Catholic view of sexuality. There is a total rejection of every ethical rule which is clear from the fact that, in that report, it states that we

must explain to the students the “**historical significance,**” and then the “**superficiality,**” namely the arbitrariness, of all moral rules hitherto recognized in matters of sex, as well as, of course, in every other field, including the respect for heritage and that of life, itself, because morals – as a Christian, as well as, even a revolutionary knows – are one and indivisible. **This criminal relativism,** if it responds perfectly to the principles of the secular State, **is a contradiction in terms of the words of Our Lord Jesus Christ** (Mark, 13, 31, Luke, 21, 33; Matthew 24:35).

We face the proclamation of wild sex and universal immorality, the systematic condoning of crime and the corresponding denial of the law!

ILLUMINATI PLAN

«... It is the youth that must be targeted: one must seduce the young! ... »

(Nubius, 1819)

«... The main thing is to isolate the man from his family, to make him remiss in his customs ... separate him from his wife and children ... stimulate a disgust for family and religion.»

(Little Tiger, 1822)

The report on the proposed bill nr. 4201, bearing the signature of the “**honorable**” **Cicciolina** denounces that very same point. In it, in fact, it argued against “**an archaic and intolerant society,**” clearly identified with the Catholic Church, and it is argued that **one cannot “impose models of moral behavior,”** and even that **everyone has the right to do what he likes, even if, of course, it is under the direction and control of the State-boss.**

In the file of the Acts of the Parliamentary Commission, from which we extract these quotes, there are also reproduced texts of “studies” that show so clearly the spirit of the new law.

In one of them, for example, we read that **the “heavy conditioning of tradition** (obviously Christian!) **that prevents the living of a serene, full and joyful sexuality,” must be deleted from the spirits of our children and young people** that is to say, one must give free rein to all the passions and abandon all “freely” to the pursuit of pleasure.

Anyone who has some knowledge of psychoanalytic doctrines knows that **to erase the guilt, and therefore sin, is the main purpose of the “therapy” theorized by Freud** and his followers; it is nothing more than what we have defined as the **SATANIC INVERSION OF CONFESION.**

Freud, in fact, posted the pseudo-philosophical and pseudo-science premise that neuroses - and then unhappiness - would be caused by the conflict between what he calls the “**Super-ego,**” and that, in essence, **is identified with morality,** and the impulses of the passions, which he calls “**Id,**” which constitutes the unconscious part, but a basic and fundamental human part, **expressed in the release of**

“libido” from “repressive” interventions of morality and the consequent guilt in face of the evil committed, the way of mental healing and the recipe for happiness and joy.

We are, in short, faced with a doctrine which, in a more or less subtle way, proposes **the “liberation” of the instincts from the control and the constraints of reason and Law**, replacing the concept of man as a rational being with the theorization and the exaltation of what Dante calls **“mad bestiality.”**

In terms less raw, among many **“ifs” and “buts,”** and yet in the same order of ideas, this proposal finds the connection with **“Project Democrat nr. 249 of 22 July 1987,”** which refers to **“refusal of prejudice”** (evidently always Catholic) and a **“human experience of sexuality without anguish and without conflicts,”** where the adjective **“human”** rejects any transcendent call, and the reference to **“anxieties and conflicts”** results in an express adherence to Freudian theories.

And in relation to another Democrat Christian Project, a few months back – nr. 1736 of October 21, 1987 – this proposal appears formulated in a much more reasonable manner; however **this still poses a very serious principle**, a harbinger of immeasurable consequences, **the usurpation by the State of the rights and duties of the family.** In addition, **the lack of any reference to Christ and His Law** validates the secular orientation, and then also the naturalistic and hedonistic **“sex education”** left without any reference to the metaphysical and transcendent, **as if you could educate the good without first knowing which good you want to pursue.**

To be explicit and remove any doubts for those who do not want to account for anything so as not to be disturbed in his quiet life, hiding his head in the sand, we must emphasize, in no uncertain terms, that **the inevitable consequence of this legislation under consideration is to make Italian schools the centers of corruption and perversion, in which the “culture” of sex will be welded with that of drugs.** In them, **teachers and “outside experts,”** if it pleases them, **can express – and many of them, vent – their libidinous instincts on**

children entrusted to them, pushing them into mutual sexual contact.

In this way, the school will become a repository of physical and mental illnesses by which **our children, and therefore our own kin, will be fatally destroyed!**

After all, the very purpose of the “law” in question is clear from the words of the authoritative **“honorable” Marinucci, Socialist undersecretary in the Ministry of Health,** who, as reported by the **“Roman Correspondence”** agency of August 3-10, 1988, on the evening of July 17 of that year, during an organized televised debate titled: **“Mixer,” dared to propose that the State,** in order to solve the psychological problems resulting from the loss of virginity, **“deflower all the girls right from Kindergarten; so as to remove the thought once and for all!** The illustrious Socialist Senator did not specify, however, if this task should be entrusted to the teacher or **“outside experts.”**

It is then all too clear that one of the effects of sex education is to implicitly **repeal the crime of obscene acts in public and obscene publications and performances,** whose boundaries are already extremely weak, due to intrinsic relativism in the expression **“common decency,”** which constitute the legislative reference in Articles 527, 528 and 529 of the Criminal Code, have been gradually corroded and eroded by the press, the cinema, and, directly, by the State through its television, **in the name of fundamental revolutionary principle and constitutional freedom of opinion, of the press and of propaganda.**

Furthermore, it is inevitable that in the case of coupling [intercourse] of adults with children or other persons incapable of actual consent, the presumption of rape will be dropped.

Then such a school, reduced to a level below that of a brothel, and where **sex and pleasure are at the top of every thought and creep into each subject,** in addition to producing whores and criminals, can only churn out donkeys of the first magnitude in all disciplines and, moreover, only individuals incapable of any serious commitment to family and work. **It is a consequence so obvious and inevitable that the real promoters of the reform could not have planned and desired it any better!**

(Vindice, 1838)

ILLUMINATI PLAN

«We have embarked on a great corruption ... corruption that must lead to the burial of the Church ... Make hearts vicious and you'll have no more Catholics ... Leave aside the old and mature men; Go, instead, straight to the youth and if possible also to children ... To reduce Catholicism ... let's corrupt the woman with the Church ... The best dagger to assassinate the Church and strike at the heart is corruption.»

SEX REVOLUTION

Culminating Point of the Anti-christian Revolution

To whom is considering, with an exact sense of history and with eyes enlightened by faith, the stages of the Revolution, there is no escaping that **this bill is, in the programs who have formulated it, the culmination of the concept of the secular State.** A State that, in line with the so-called “**human rights**” proclaimed in France in 1789 and reformulated in 1948 by the UN, **REJECTS EVERY RULE OF DIVINE, ETERNAL AND IMMUTABLE LAW** and, humanistically and purely Luciferian, **MAKES MAN THE RULER AND MASTER OF GOOD AND EVIL**, stating, always according to the words of the report with the proposal of Socialist law, the “**relativity**” of each ethical principle.

We are, therefore, faced with the total denial of the Decalogue and Its author and the theory of the “death of God” enunciated by Nietzsche, the prophet of the Antichrist, and FROM CERTAIN POST-CONCILIAR THEOLOGY.

We thus come to the formulation, in pseudo-legal terms: **“Do What Thou Wilt,”** which is the message of **“Gargantua et Pantagruel”** written by the humanist and immoralist, **Rabelais**, and of the **“Liber Legis,”** dictated by a demon, **Aiwass**, to the famous black magician, **Satanist and Mason, Aleister Crowley**, who was also a senior member of the secret sects and para-Masonic **Illuminati, “Golden Dawn”** and **“Ordo Templi Orientis”** (O.T.O.). These sects, have been systematically ignored on all that concerns the Masonic conspiracy – in the texts of the schools of the state. However it is very important to know the occult background of the secret sects and the occult in modern history.

Aleister Crowley, the author of the “Sacred Book” of the Ordo Templi Orientis (O.T.O.).

In a book with the significant title **“The Secret Societies that Dominate the World”** (printed in Italy by Vallecchi, in 1976) indeed, the high dignitary of Freemasonry, **Pierre Mariel**, reproduces the steps of a **“catechism”** of the above-mentioned **“Ordo Templi Orientis”** in which are exposed, with impressive coincidence, the doctrines that underlie **the bill that the Italian Government and Parliament are carrying to conclusion.** We report here some of the most significant passages:

«Before the Christian era, things were different. Even the Israelites had their “secret doctrine” that recognized GENITAL PARTS AS THE EARTHLY SYMBOLS OF THE “DI-

VINITY” OF MAN ... We do not want to establish a new religion, but we want to clear away the rubble that Christianity has amassed on the Old World, for the ancient Religion of Nature once again assumes its rights ...»

It should be noted that, by that sentence, it is clear what these secularists mean by the word **“progress,”** – a word that makes you want to wash out your mouth and the sound of which modern strayed Catholics rarely dare to reiterate: **a return to paganism particularly brutal, much more abject than the Roman-Greek, and even Druidic, where free rein to all the instinctual drives is given, in the context of a clearly demonic religiosity.**

But we continue with our quotations:

«So what is true morality?»

«TRUE FREEDOM IS THE LIBERATION FROM ORIGINAL SIN!

We constitute a community of sexually free beings.

This message will be victorious only when all the principles of the new morality will be powerfully impressed upon young people from a very young age. It teaches young people from birth, that the sexual organs are to be considered sacred and their functions will be represented to the boys and girls as holy actions. As soon as the mother will notice the first signs of puberty, it is her duty to instruct the children in this way, because it will be up to the parents to teach these doctrines to their children from their early youth. In schools, physicians will have the task of deepening these doctrines and to give them a scientific basis for the education of adolescents ... **not just the teenage boy, as a sacramental act**, according to the Ritual and under the direction and instruction of the Matron or High Priestess, **who will perform the first coitus. The same will happen to the girl who will be initiated into the mysteries of the sexual act from the Matron of the Temple. The spouses will not be bound for life, and will break the bond without any prejudice to their social position.**

Behold, however, the program of the New Church: **Each member is convinced of the existence, in itself, of a soul that allows him to be like God.»**

Here's another interesting quote of the high initiate, Mariel:
«... is needs to be emphasized which principles of the O.T.O. have been put into practice by the hippies and what was their influence in the revolution of May, 1968?»

And we add: **and how have these principles of the O.T.O. been faithfully reflected in the proposed law on sex education in schools?**

The spiritual revolution of 1968, so important in the process of de-Christianization of our youth, was a greenhouse product, wanted and cultivated by the political power that, in the city of Trent, opened as that famous as the revolutionary new **Faculty of Sociology** in which the diverse Curcio and Rostagno were formed and which gave birth to the **“Brigate Rosse,”** [Red Brigades] the NAP and the **“Metropolitan Indians”!**

In the magazine **“Studi Cattolici”** [“Catholic Studies”] of April-May 1978, **Maurizio Blondet** wrote an intense article titled **“The Unsuspected Ancestors of Protest,”** pointing out the significant connections between existing institutions and people connected to each other as a **“Sessantottino”** [A participant in any of the mass social movements of 1968] and **Agnelli and Rockefeller Foundations**, whose leaders are so important in those international organizations, such as the **“Bilderberg Club,”** the **“Trilateral Commission”** and the **“CFR,”** that operate outside and above the official governments of States, according to

styles and modes that resemble very closely those of Freemasonry.

In this context, it is illuminating to note that, as already mentioned, **Sigmund Freud**, whose doctrines, as well as we have seen, form the theoretical basis of the draft law on sex education, was a member of the **Jewish Freemasonry of the B'nai B'rith**, and his pseudo-scientific work has been authoritatively defined, by **David Bakan**, as a **reformulation in modern form of the Hebrew Kabbalah**, which is the summit and the essence of the **“initiation”** of Freemasonry.

Another point that is all-important to emphasize is that **sex education** is the implementation of a **“recommendation”** of the specialized branch of the UN which is the **World Health Organization (WHO)**, established in 1985 in Copenhagen, whose debut, shown on p. 363 of the **“Documentation for the Parliamentary Committees,”** reads

like this **«It would be appropriate that all countries adopt laws imposing compulsory sex education.»** The document goes on to recommend that **interdisciplinary character of “teaching”** which is the most dangerous aspect of the Italian legislation!

However, **the UN is, notoriously, an offshoot of Freemasonry**, so much so that the constitution of the **League of Nations** was approved at the Congress of Paris by the Masonry of the Allied and neutral [powers] on June 28-30, 1917.

Even the **Pauline religious, Father Rosario Esposito**, one of the leading proponents of the meeting between the Catholic Church and Freemasonry, in his book titled **“The Great Concordances between Church and Freemasonry”** (Nardini edit., 1987), on the

Masonic nature of UN He wrote: **«the whole world knew what environment (Masonic) and under such signs (similarly Masonic) the League of Nations was born.»**

Pierre Mariel added that, in 1973, **two-thirds (2/3) of UN members were members of Freemasonry.** There is no reason to believe that today, things have changed.

In conclusion, we quote, again, **Mariel**, when he says that the **Ordo Templi Orientis** preserves and hands down **“the essence of the message of the Illuminati of Bavaria.”** Indeed, those sectarians not only played a decisive role in the preparation of the French Revolution, **but today are more powerful than ever.** This is so true that their symbol – a truncated pyramid topped by a bright eye inscribed in a triangle – emblazoned on the US \$ 1 bill and the UN's **“Meditation Room.”** However, it is informative to consider that **the main objectives of the “Illuminati of Bavaria” are the DESTRUCTION OF RELIGION AND FAMILY**, obtained through the conquest of souls, by **“the great means”** of **“influence on schools.”**

AGAINST GOD AGAINST MAN

The author of these pages already had to deal with, as a prosecutor, **the doctrines that underlie the bill in question** and now, bearing the seal of the Republic (where, and certainly not by chance, the five-pointed star, or pentalfa, symbol of Freemasonry is stamped!), **acquire the force of law and are raised to the philosophy of the state and rule of life.** Back in 1976, in fact, **he had to indict some of the propagators of “Encyclopedia of Sex Life,”** published by Mondadori, **that was a real “initiation” of the children,** and which was intended, to be indecent and obscene and represented a clear anticipation of what, if there won't be a speedy and powerful response, the school of an imminent tomorrow would be like and a document that, as a publication, contained a perverse pedagogy that, if allowed to spread freely, **would have helped to destroy decency, and therefore morality, fueling corruption, vices and crimes.**

The “encyclopedia” – as we explained in our writings and in oral submissions trial – and the speech is perfectly suited to the bill in question! – reflected, even more than the teachings of **Sigmund Freud**, those of the most extremist of his disciples – and, let it be said in parentheses, like him a Jew – **Wilhelm Reich**, who, however, leading to the logical consequences of his “master's” teaching, argued that if the Super-Ego (that is, very briefly, the complex influences of the outside world and in

Sigmund Freud.

A member of the **High Jewish Freemasonry of B'nai B'rith** and the founder of psychoanalysis. Here are some of his revealing statements, found in book by **Ennio Innocenti**, “**Criticism of Psychoanalysis**” (pp. 41, 101, 115):

«**Psychoanalysis is a journey starting in Heaven, traversing the world, ending in Hell.**»

«**Hatred is the foundation of all relationships between human beings.**»

«**I don't fear the Nazis. The enemy is Religion, the Catholic Church.**»

particular, moral influences) constrains the “Id” (i.e. the deep dark impersonality of the libidinal drives), **it produces neurosis, grossly mistaken as misery.** The way to remove such misery and restore a peaceful world is, precisely, **the removal of the superstructure of Civilization, that “represses” and degrades the free play of the instincts, theorized as a “right” to pleasure.**

In short, one no longer cures the neuroses of the individual on the couch of a psychoanalyst, but instead prevents it in all men through a “**social prevention**” that ceases to be therapy, albeit misguided and arbitrary, but **becomes a needed revolution** i.e., **to demolish morality, education, legislation, family, etc. to establish a general, uncontrolled, anarchic “freedom.”**

The stakes, therefore, are immense: in the name of “modern” doctrines and the fight against an alleged Catholic “obscurantism,” they, whose imperatives are identified with the Freudian “Super-Ego,” want to destroy Civilization itself, founded on family and morality.

On close reflection, in fact, it is clear that, **under the pretext of exalting man in the name of a supposed “progress,” it would**

gradually “liberate” man from the dependence of the idea of God and His Law, wanting to in actuality, annihilate and destroy any bonds with the family, its roots, the source and the very meaning of life.

In doing so, it demonstrates, once more, the truth of the words of the Divine Master who calls Satan **“the father of lies”** and **“murderer from the beginning.”** (John, 8:44), while it clearly manifests the profound irrationality of so-called Masonic **“rationalism”** of the Enlightenment, relativizing all in the name of **“free thinking”** – a clear extension of the so-called Protestant **“free examination”** – **that excludes the distinction between true and false and inseparable from it, between good and evil**, that is the good practice of truth and the bad practice of error.

This absurd path, in fact, **leads to denying the very function of reason** – which [reason] is precisely the attempt to seek the truth and reject the false – and with it the principles of logic. In accordance with that objective, the sectarian, **Francesco Brunelli**, Grand Master of the Masonic Rite of Memphis and Misraim and Martinist Orders, stated: **«(Masonic) Initiation preaches and teaches the DEATH OF REASON. Only when reason will be dead, then the New Man, the true initiate, will be born of the Coming Age. Only then the walls of the temples will collapse, because the dawn of a New Humanity will be revealed to the East.»**

Therefore, it is clear that the fight against logic and reason is identified, ultimately, with **the fight against Jesus Christ, the Logos, that is, Incarnate Wisdom**, because He is the Beginning and the End, the Alpha and Omega, the First and Last reason of all Creation.

Indeed, **it is the purpose and effect of psychoanalysis** to point out as Enemy Number 1 – as a target to destroy – **the sense of guilt** in face of the infringement of the Moral Law, and thus Law itself.

It is to reverse the distinction between good and evil, calling, the first – and with it – all Christian education – **“repression,”** and the second, **“liberation.”** Thus, it excludes the rule of reason over instinct, indicating that the first [that is = good] and all its constraints are the causes for every neuroses and all misery. In short, **it prohibits, the interference of inhibitions in the name of a crazy and destructive bestiality.**

At this point, the unity of the Revolution appears very

clear, even through secular events, and well before Freud, with **Rousseau – the leading prophet of the French Revolution and the Illuminati of Bavaria** – in the name of the exaltation of the passions (**“Nouvelle Heloise”**) and the immaculate conception of man, connected to the

very false myth of the **“noble savage.”** It had placed, albeit in less brutal terms, because the time was not yet ripe, **the theoretical premises of “education” all hinges on alleged rules of a “nature” considered as divorced from any supernatural and transcendent perspective**, proposing a pedagogy based solely on **“spontaneity,” on the senses and instincts.** All in the name of the strong hatred of Rousseau for all forms of civilization, which he considered the source of all evils.

Also the most extreme Communism that has pushed for the abolition of the family and the subsequent seizure of children by the State, **has been the subject of Rousseau’s preaching, and it is undeniable that the education reform that we are commenting on, has been arranged in the wake of this ideal – that is the replacement of the State for the family, as clearly shown by explicit statements contained in the Parliamentary reports of July 2, 1987.** Thus demonstrating that, despite the fall of walls and curtains, and the end of the **“dictatorship of the proletariat,” the deep spirit of Communism is still very much alive .**

From the study of Rousseau’s thought, indeed, the close connection between Communism and immorality is clear, because the **“ethics” of pleasure** without constraints and without limits and **the consequent negation of the stability of the bond between parents and their right and duty to children, opens the way to the**

abandonment of the latter and to unchecked domination of the State, father and master universal of all his subjects. And so Communist tyranny and Liberal Democrat libertinism -libertarianism returns welded [together], as in the thought of Rousseau which theorized them both, favorites in this renewed encounter of pseudo-psychoanalytic science. And thus it is no coincidence that **Wilhelm Reich** was a professed Communist!

Wilhelm Reich, Communist disciple of Sigmund Freud, wrote:

«The de-bonding of children to their parents and of parents to their children cannot succeed if the children are not educated in a community. This bond must be destroyed and before 4 years of age, before they are able to develop the bond that unites them spiritually to their parents.»

THE DEATH OF THE FAMILY

That this is the ultimate goal of psychoanalysis, as it forms the ideological basis of the draft law on “**sexual education.**” is set out in very explicit terms in a book of the psychoanalyst, **David Cooper**, published in London in 1970 and published in Italy, in 1972 by the publishing house, Einaudi, with the significant and programmatic title: “**The Death of the Family.**”

We cannot, here, expound on the content of that volume, a **hallucinatory stage of demolition work that, in the name of “freedom” of opinion and the press, has progressively lowered the moral sense of our people, gradually preparing the way for this final assault that one can see deployed in a single line in nearly all the Italian political forces.** We will limit ourselves here to summarize some points and to mention certain steps among the most revealing.

Cooper points out “**the family,**” in which one prays together and stay together “**for better or for worse, till death do us part,**” **as the number one enemy to be de-**

The psychoanalyst, **David Cooper**, an alcoholic who died at age 54, was the author the book: “**The Death of the Family.**”

Cooper points to the family, Enemy Number 1, to be destroyed because it would be a suicide pact that cancels our individuality.

To destroy the family, you must deny the taboo of incest, and homosexuality and the concepts of “the couple” and marital fidelity.

stroyed, because it would result in a “suicide pact” that cancels our individuality, removing from “our actions every genuine and generous spontaneity.” It is always the “spontaneity” of the instincts and passions that are so dear to revolutionary pedagogy! That institution, in fact, constitutes “**a chronic murder of self**” because, to really fulfill ourselves as individuals, we must “**learn to do our own business,**” “**to belong only to ourselves**” **without caring for the crying baby or pains of others.**

Those who agree to live in the narrow horizons of the family, in his oppressive and repressive schemes, lose sight of the fact that “**to belong only to ourselves**” and that therefore, to really fulfill ourselves, to be “**open to the world**” and at the same time “**in full possession of ourselves,**” we must live “**separate as individual entities from any other individual.**” (pp. 16-21).

The family, according to Cooper and psychoanalysis, has to be hated and fought because it is the model on which all social struc-

tures are modelled that limit us and influence us, and then oppress us: the hospital, the Church, factory, school, Society, itself, in short, and all civilizations that psychoanalysis wants destroyed.

To get rid of the family, it is necessary to renounce all “prejudices” (in language more specifically psychoanalytic or “the taboo”) that protect it, and in particular, the absurd “incest taboo” and the taboo of homosexuality, but especially the concepts of the “couple” and marital fidelity which shuts out others, by excluding them (p. 30).

The ideal to replace the family, much to the delight of the author, and that which the modern youth seems to start with, is that of “commune” and that is a promiscuous group in which “the romantic relationships are spread among the members of the community much more than in family system” and the children are not educated in restricted and petty conceptions, but have “free access to other adults, in addition to the couple that is, biologically, their parents.”

There, in the commune, the general rule to follow, according to Cooper, is the following:

«MAKING LOVE IS A GOOD THING IN ITSELF, AND THE MORE OFTEN IT HAPPENS, IN ANY WAY POSSIBLE OR IMAGINABLE, WITH AS MANY PEOPLE AS POSSIBLE AND AS FREQUENTLY AS POSSIBLE, AND SO MUCH THE BETTER» (p. 47 - the text is written in all caps).

We have already spoken about Rousseau, on the deep affinity between Psychoanalysis and Communism, that affinity should not surprise those who note the identical matrix of the two Jewish-Masonic doctrines. We add, now, that the goals of psychoanalysis (and already the word “commune” suggests an obvious key to this!) coincide also formally, but even more so spiritually, with those of Marxism, as it is true in the “Communist Manifesto” of Karl Marx WE FIND THAT PROGRAM OF THE COMMUNALITY OF WOMEN THAT IS THE ESSENTIAL INTRODUCTION FOR THE “DEATH OF THE FAMILY” and its replacement with the “commune” cherished by Cooper.

In this perspective we are given to understand the real

meaning of the revolutionary process and to put in place the movements, apparently eccentric and marginal, whose functions escapes the superficial observer.

We take, for example, the meaning and importance of the controversy between the “artistic avant-garde” of Surrealism by André Breton and Soviet Communism.

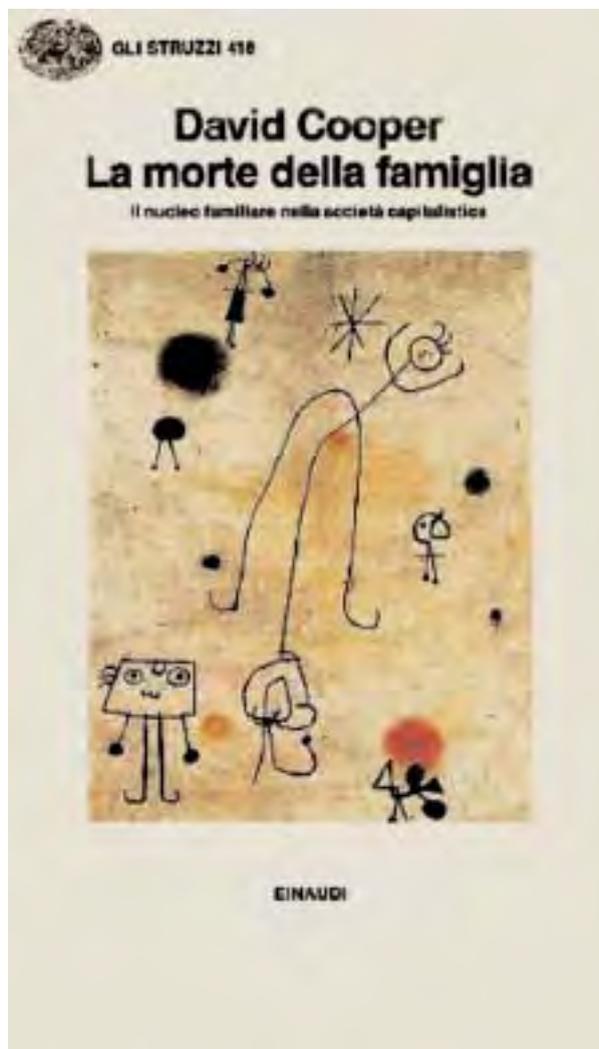

The Surrealists, in fact, whose double reference to Marxism and Psychoanalysis was explicitly and programmatically expressed, rebuked that the established Communism was not a complete revolution for having perpetuated, even emptying of its religious content, the family institution and its organizational schemes.

The reasons now appear clear for which, in the sectarian project, in accordance with the articles of Marx, who foresaw the temporary nature of the “dictatorship of the proletariat,” the Stalinist Communism, that could not march to conquer half the world without maintaining the fundamental structures of the Society, was only a moment of transition, a stage destined to be overcome, in view of a later stage of the revolutionary process of disintegration.

Moreover, even that unfinished Communism, removing from the family – in line, after all, with the liberal revolution, any ethical-religious reference, inhibiting even the celebration of marriage in church, and thereby reducing the coexistence of man and woman to

a mere contract, of exclusively utilitarian and hedonistic content – laid the foundations, once having done away with the authoritarian mold, for the disintegration of that institution: the phenomenon of the precipitous rush to the local “red light” district and the tumultuous spread of pornography in the former Soviet empire, which has greatly impressed Western observers, accustomed to the idea of Communist austerity. This certainly should not be a surprise

On the contrary, it marks the scheduled time of the transition, even in the Marxist world, to the most advanced stage of the Revolution, precisely characterized by the encounter between Marxism and Psychoanalysis, but in which the latter assumes, unlike in the past, a predominant role in the ultimate objective, consisting of the elimination of the structures of the Christian society and the destruction of the Family and of Man.

DEATH OF GOD DEATH OF MAN

The vastness of the subject we are addressing would offer inspiration to other very interesting historical, philosophical and, above all, religious topics.

For example, **the role of surrealism in the Revolution** could provide an argument for an examination of **the relationship between moral dissolution and disintegration of art form**, and the importance of dreams in psychoanalytic doctrine. It would offer an opportunity to meditate on **what scientific value “discipline” may have, based on the dream and the symbol**, but, even more, which part of **the dream and the escape from reality in thought and in the revolutionary process**, has caused, **as we have seen, in the absurd and perverse dream, the mirage of the auto-deification of Man who is equal to God and rejects the Law.** In this perspective, it would be very instructive to consider and illustrate

how the power and empire of the Prince of Darkness is based precisely on the darkness of the night and the unconscious, and consequently dwells on the nature of darkness, hidden temples, Masonic rites and esoteric teachings.

All these discussions should culminate in the **contrast between Christ, the Light, Truth and Reason** – in Whose Heart lie all the treasures of wisdom and knowledge! – **and Lucifer, false light and very real darkness, Master Illusionist of illusory science and the Prince of lies and**

One of the many symbols of the Masonic Deification of Man.

folly. Then, it would appear clearer and surprisingly current and concrete to recall the words of the Apostle (Rom. 13, 12) to reject the works of darkness and put on the armor of light. We must, however, be limited to this brief, so as not to risk losing the sense of the terrible urgency of the topic under consideration.

Therefore, to stay on topic, it is important to concisely stress that in **the partisan and governmental perspective under the leadership of “outside experts,”** classes will be transformed into many small **“communes,”** according to the objectives proclaimed by Cooper and the **“honorable” Marinucci.** While, also, the **“honorable” Cicciolina,** in addition to being remembered as an outstanding educator and an influential legislator, in charge of dictating to the younger generations the rules of conduct according to a **“healthy secular morality,”** will be held up to our daughters as a model and example of revolutionary and progressive femininity, finally emancipated by the **irrational taboo of Catholic obscurantism.**

In such a context of the negation of the root of the family, i.e. separation and divorce, whose negative effects on the psyche of children and young people so much concern more sensitive teachers, will appear to have overcome the problem. And one will end up with the conclusion of

Cooper that **«the only evil of divorce is that it is preceded by the evil of marriage»** (p. 52)

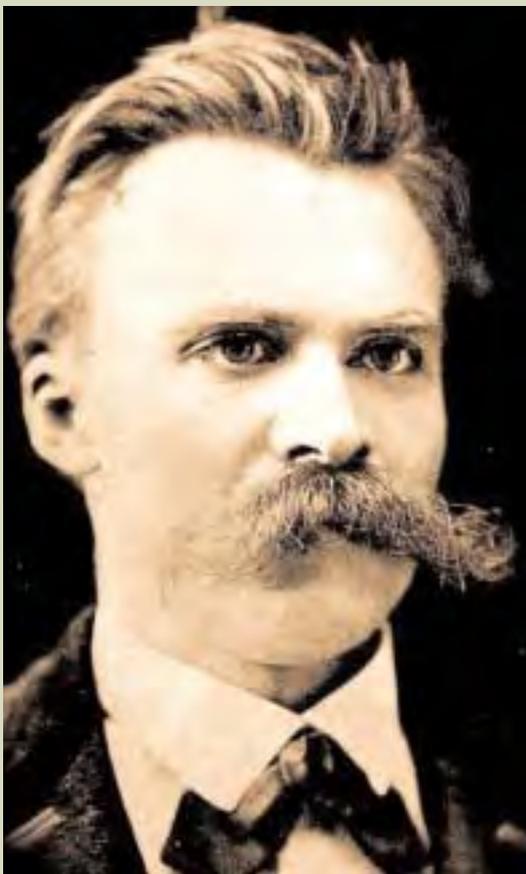

At that point, with the family destroyed and denied any sacredness of human life, one could always use the revealing words of Cooper, as we will finally **“talk about the death of God and the death of Man”** (p. 11), the final goal of the Revolution and Satan who is the instigator.

Thus, in the name of the **“death of God,”** we are witnessing the welding of the extreme and most consistent doctrines of Protestantism – that, first, brings the Lutheran error, to its last and inevitable consequences, **the formulation of an absurd theology, called the death of God** – with **Marxism** and Psychoanalysis.

But, to the astonishment of those who still believe in the contrast between right and left, the third protagonist of this fight is the far right, not just the Nazis, but also the Fascists, with **D’Annunzio** and **Mussolini**, recognizing **Nietzsche**, also as their **“prophet”** of the **“death of God”** and author of **“The Antichrist,” his master and his guide.**

Even that crazy thinker, indeed, like the followers of the **“deep psychologies” that enhance the unconscious and deny reason** and that of the **Grand Master Brunelli**, who affirms his **“Superman,”** independent of any law, **denies the real man in his essence of being reasonable and moral.** This is because the immutable rules of logic and ethics clearly demonstrate the dependence on a Truth and a Good objective, transcendent and absolute, and prove that his nature is essentially ordered to the Truth and the Good.

Unable to kill God, the denial of reason destroys His image in Man, and you can’t deny God without denying at the same time Man is made in His image and likeness. This is the meaning of Cooper’s words, and this is what Nietzsche means when he writes: **«We will never get rid of God if**

Friedrich Nietzsche.

The “morality” of Nietzsche, supreme “prophet” of the “right” policy, is very similar to that of Freud and, even more, to the Communists, Reich and Breton.

We quote from “The Antichrist”:

«The concept of guilt and punishment, including the doctrine of “grace,” “Redemption,” and “forgiveness,” (are) lies from beginning to end and without any psychological reality.»

However, deleting the sense of guilt, and with it that of the Law, is the main activity of psychoanalytic “therapy.”

«The preaching of chastity is public provocation to the unnatural. Any contempt of sexual life, any contamination of the same, using the notion of “impurities,” is a real sin against the holy spirit of life.»

And since chastity and fidelity are the foundations of the family, it is clear that for Nietzsche, as Reich and Breton, the family is against Nature, and therefore, it should be destroyed.

we don’t get rid of grammar,» where grammar is logic, the speech, the word, the logos, the image, precisely, of God in Man. And, like Nietzsche and Psychoanalysis, the futurism of Marinetti, which also had its origins in Fascism, theorized – always hateful towards God and His Church – **the destruction of discourse and annihilation of reason.**

This revolutionary essence of Fascism was well realized by Lenin when he addressed the Italian Socialists: **«You, Socialists, are not Revolutionaries. In Italy, there are only three men who can create a revolution: Mussolini, D’Annunzio, Marinetti.»**

This principle, moreover, **the battle against the word**, is very clear in Cooper, who argues that **it is necessary to destroy the verbal language because it is “an imposition,”** and that **it should be replaced with the instinctual and erotic** for the collapse of boundaries of the **“Id”** that limit and lock us up. (See the chapter entitled: “The Topography of Love,” pp. 32-36).

At this point, it is very enlightening to recall the book **“De la Vie avant toute Chose”** (The Life Before Everything) (ed. Mazarine, Paris, 1979), in which the author, a Jewish Doctor, **Pierre Simon**, who was a Mason and had been the **Grand Master of the Grand Lodge of France twice**, tells how an organization of doctors **“free thinkers,”** called **“Group Littré,”** with international support and with the cooperation of even two Dominican “theologians,” psychologically and materially prepared France first, for **the law on contraception**, then for **the law on abortion** of 1974 and **how they worked to promote also the law on euthanasia.**

All this – and this is the most enlightening of that work – **as part of a “new morality” and an initiation,** of a new kind of religion **“and so esoteric that PUTS THE**

FOCUS ON PLEASURE, and explicitly rejects “**the absolute character**” that life “**had in Genesis**” (p. 13), this subtly presupposes the elimination of the disadvantaged and the chronically ill (pp. 232-234), **it excludes the concept of family by referring to alleged communes of Polynesian tribes** (again the “noble savage!”), and preaches a “**happiness without Marx and without Jesus**” (p. 243), **in a society which will recognize the “sacredness” of sex (and its organs), which will become the “intercessor between man and divinity”** (p. 243). This part of a wider “**re-sacralization**” of the Cosmo of a **distinctly Pantheistic flavor** (p. 294), **WHERE THE PARAMOUNT IMPORTANCE WILL BE GIVEN TO THE “RELATIONSHIP WITH THE ENVIRONMENT”** (p. 13) **AND THEN TO THE SO-CALLED “ECOLOGY.”**

Now the question is: how does one not recognize in the book of **Pierre Simon**, a key figure in French politics, and not only because of his mentioned role of Grand Master of the Grand Lodge of France, **the same program formulated in the “catechism” of “Ordo Templi Orientis” that defines sexual organs as “sacred” and worthy of worship, apparently because they are intermediaries between man and the gods? Isn’t this the “red magic” or “sexual magic”** exalted by the highest “initiates” to the esoteric disciplines? Just think of **Julius Evola** and his “**Metaphysics of Sex**” – **as the summit of occult science.**

Our discourses, as boring, confusing and even out of place in the examination of a draft law as they may seem, are however essential in order to give the reader an idea of **the immense religious, philosophical and historical scope and the objectives of the educational reform** that, among the general lack of interest, is in the approval process: **it is nothing less than to transform** – albeit with a certain gradation, because mentalities do not change from day to day, and so as to not cause too violent reactions among teachers and parents – **the nature of man, denying it in its rational and moral essence to exclude reason and science and replace them with magic, to get rid of the verbal-logical discourse to replace it with the sexual act, to “liberate” in the name of Freudian pan-sexuality and subsequent depth psychologies, the dark forces of the underworld that are in us; to give birth to,**

in short, in the words of the Grand Master, Brunelli, “the new man of the hour.”

These [men], according to the plan, who had already emerged from the “**anti-establishment activity**” of ‘68, **repudiated their own reason, and their own personality, which involves responsibility, commitment and sacrifice, seeking their alienating ecstasies in the darkness of a sexuality made impersonal and irresponsible in the anonymous promiscuity of “communes” with drugs and also the rhythms of the depersonalizing and abysmal rock music.** In other words, **the objective goal is to catalyze according to the esoteric teaching, the transition from the Christian Age of Pisces to the Masonic Luciferian Age of the Aquarius.**

The UN building in New York, with the statue of a man wielding a hammer and holding a curved sword that has the shape of a sickle. Are they the “**Sickle**” and the “**Hammer**,” symbols of the “**philosophical party**” and the “**war party**” of Freemasonry, with which it intends to annihilate the Catholic Church and the Christian idea itself?

And this starting from the smallest and most defenseless, according to the two centuries of the teaching of the **Alta Vendita Carbonari** (Heads of the Illuminati of Bavaria) «**make hearts vicious and you will no longer have Catholics,**» «**leave aside old and mature men; go, instead, straight to the youth and, if possible, even to children.**»

However, adults and even the elderly become important when they help sustain the education of young people. **That’s why the draft law, in Articles 4, paragraph 1° and 3° and 5, paragraph 3°, respectively, foresees initiatives of “professional updating for teachers”** (of all the teachers, even including those of religion, certifying the inter-disciplinarity of sex education!) and others of “**deepening and awareness**” initiatives for parents. **These initiatives have the air of real re-education courses against suspects who could still be slaves of inadmissible “prejudices” and “taboos,” such as purity, marital fidelity, sense of duty and responsibility to sacrifice.**

As part of this work of re-education of maladjusted and indifferent teachers, Article 4, paragraph 3, points out that the **Ministry of Education has already signed an agreement with RAI-TV.** There is no doubt that this institution has been extensively and highly qualified and creditable for the spread of the “**culture**” of sex, according to the plans of the pan-sexual Freudians. We have no doubt, therefore, that it will be able to broadcast appropriate programs so that our teachers will have to dutifully put up with these programs during the hours of their

free time, perhaps with an obligation to write reports and comments under the control of “outside experts.”

It seems appropriate to draw the reader’s attention on the fact that, in the light of the transition programs so far illustrated, and, in particular, the fight against logical-rationality, many of the vicissitudes of the Italian school appear finally clear which would otherwise remain incomprehensible. We refer especially to **the progressive abandonment of grammar and syntax in primary schools, and the downgrading and the narrowing of the study of Latin.**

At the conclusion of this chapter, we are allowed some brief commentaries that we consider useful to illustrate, once again, **the gravity and the global expansion of the conspiracy of which this law is an expression, and the central power from which emanates.**

To this end, it seems significant to point out first of all that the **Grand Master, Pierre Simon**, was one of the founders and then a leading figure of the **French Division of the International Federation of “Family Planning,”** founded in 1952 by **John D. Rockefeller III, who did so much for the spread of abortion and contraception** and whose structures are intertwined and almost merge with those of the UN.

With regard to the latter organization it is extremely instructive to consider that **Brock Chisholm**, former director of the **World Health Organization**, one of the leading UN specialized agencies **«in his book “Can People Learn to Learn” supports the idea of a world government in which children are freed from the oppression of the parents and the cultural and religious “prejudices” and begins in early childhood, to learn the various sexual experiences beyond the traditional ideas.»**

This is in accordance with the theories propagated in the US by **SIECUS** (Sex Information and Education Council of the United States), whose General Director – **Mary Calderone** – established a program to **«merge and reverse the sex roles, freeing the children from their parents to abolish the family.»**

Chisholm always so indicates the conditions of the **New World Order**, which Freemasonry has sought, at least since the time of its official foundation, which took place in the now distant, 1717: **«What people everywhere must**

do is to practice limiting the number of births and (encourage) mixed marriages (marriages between spouses of different races); **this is done in order to create a single human race in a unique world, dependent on a central authority.»** Where, of course, it is referring to an earlier stage and preparatory work for **the total abolition of the family.**

«We also mentioned this step because **it reveals a clear clarifying connection between the opening of the borders to the “non-EU” people’s invasion and sex education in schools:** this has been done to create, in the name of pluralism and anti-racism, **an immense work of the hybridization of peoples and religions to cause all the traditions to disappear and, in a climate of universal relativism, so invert all moral schemes. Thus creating an unstructured and malleable mass, dulled from vice and incapable of any ethical judgment, and thus, of any reaction. And it is clear that the function of the school, so reformed, is placed in this perverse program.**

Sir Julian Huxley,
First director of UNESCO, the UN’s
ideological center.

Moreover, the goal of sex education in schools in a context inspired by the teachings of **Freud** and his followers had already been expressed many years before, although in less explicit terms, by **Sir Julian Huxley, the first Director of UNESCO**, which is the ideological center of the UN. In a speech in Paris in 1981, so he expressed himself like this: **«We no longer need to resort to a theological revelation or metaphysical absolute, Freud and Darwin, alone, can give us our philosophical view of the world.»**

And in a book of the now distant, 1948, in which he explained the philosophy and objectives of UNESCO, wrote: **«Another subject that UNESCO should put in its program, as soon as possible, is the study of the application of psychoanalysis and other schools of depth psychology in education.»**

At this point, it is not without significance that **Julian Huxley** was the brother of that **Aldous Huxley** who was among the first to spread in the US, the so-called **“drug culture,”** especially with the famous little book entitled **“The Doors of Perception”** in which he argues that mescaline, a drug derived from peyote, **would serve to liberate, those who use it from, the restrictive and oppressive limits of their individual and rational ego.** Precisely, the same purpose that **Cooper** attributes to sexual practice.

Now, speaking of **Aldous Huxley**, on the book **“Dope Inc.”** of 1978 – a book published in the US in 1978, where it is revealed the shameful backstage of the political and financial world trafficking of drugs! – we read that **Aldous Huxley** was part of a para-Masonic sect called **“The Children of the Sun,”** and which was founded by **Aleister Crowley** – the author of the **“Sacred Book”** of O.T.O. – for the use of psychedelic drugs and the esoteric order of the **Golden Dawn**.

Here is a very helpful passage from **Aldous Huxley**:
«As the political and economic freedom diminishes, sexual freedom has a tendency to grow, as a compensation. And the dictator will be well aware to encourage that freedom. In addition to the right to dream under the influence of drugs, the cinema, and the radio, it will help to reconcile Mankind with the slavery that is their destiny.»

We have already seen, in fact, that, since 1979, **Pierre Simon** framed the religion of the **“New Era”** in a setting that is a perfect ecological and environmental counterpart in the multiple initiatives of the **United Nations**. Now, it is known, to those dealing with these issues that the extreme fringes of environmentalism have proposed, in the name of the **Pantheistic sacredness of Nature**, the **elimination of Civilization** and the **return to a regime of tribal life**. As was already stated, the **Head of the Illuminati of Bavaria, Adam Weishaupt** after presenting to his initiates **the Family as the “evil seed” and their worst enemy**, made them aware of the last mystery of the sect:

«Surrender your cities, your villages, burn your homes. Under the Patriarchal life, men were equal and free and they lived equally everywhere. Their homeland was their World. Enjoy equality and freedom, and ye shall not fear to see burn Rome, Vienna, Paris, London and those villages that you call your Home. Brother, this is the big secret that we kept to these mysteries.»

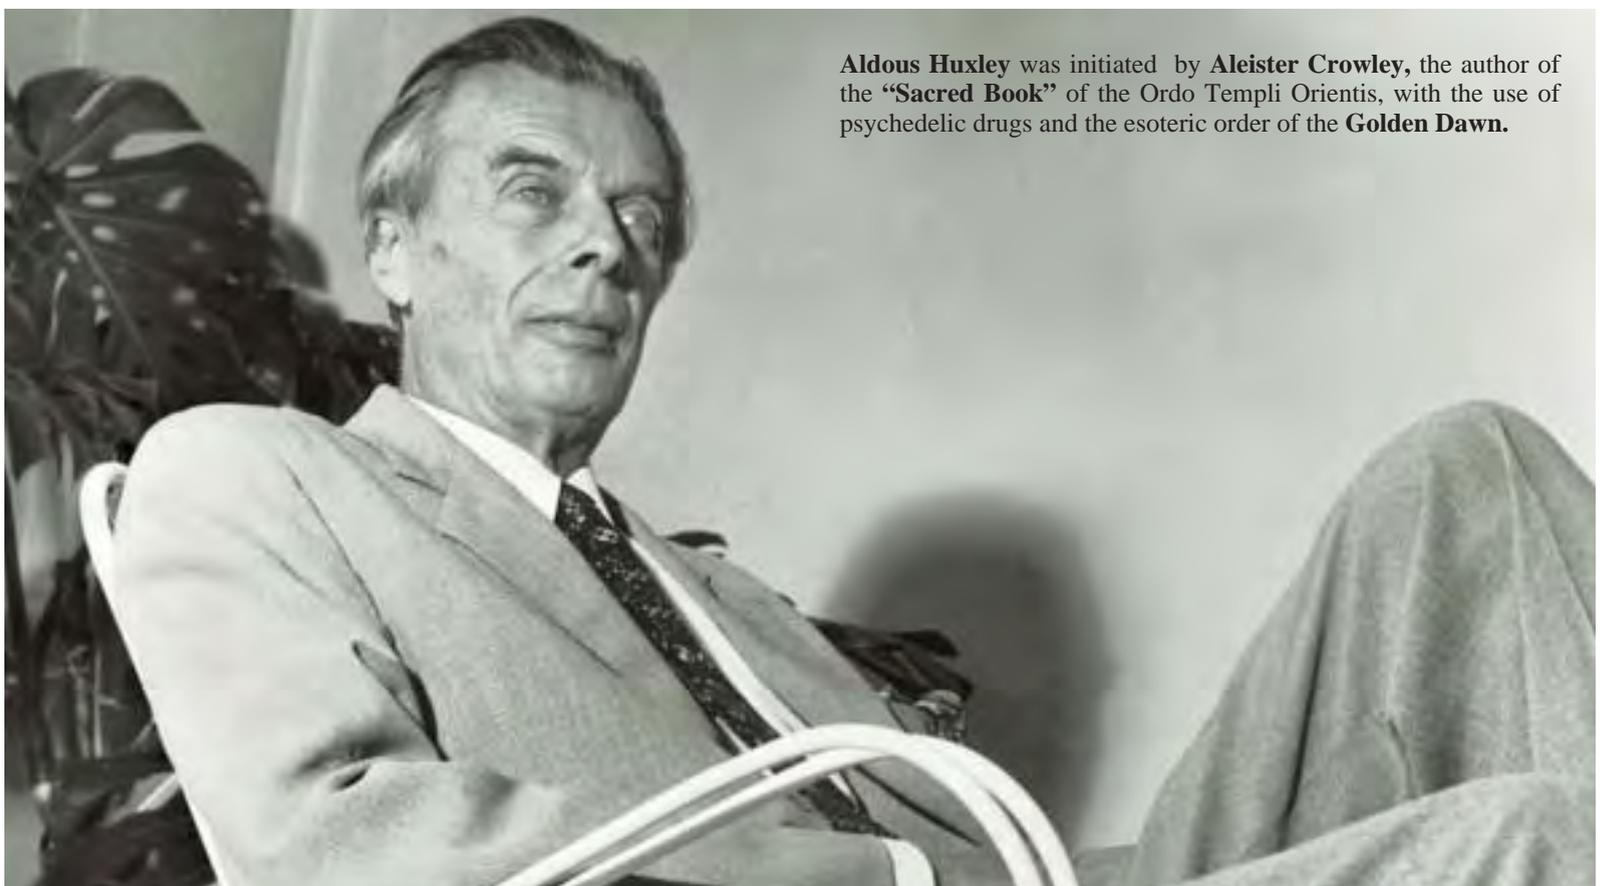

And was that not the ultimate goal of the World Government that **Mayer Amschel Rothschild** had proposed to his Jewish financier friends, in 1773, when he told them: «... in the end, there will only be the proletariat left in the world, with a few millionaires devoted to our cause... and sufficient police and soldiers to protect our interest.»?»?

No wonder, after all, because **this is the logical outcome of that environmentalist and ecologist conception, that refuses the Redemption of Christ and His Church, replacing it with the cult of the falling birth rate and a Satanic hatred for Man, as the latter is a parasite of Nature, and, psychoanalytically, sees his reason as a monstrous outgrowth of which he uses to upset the balance of the Earth Goddess, deified under the name of “Gaia,” desecrating her sacredness. It is the Revolt of Nature against Grace that wants to establish a society in which God is totally excluded.**

In this vision of barbarism and extermination there are reasonable grounds to believe that the Revolution is close to a breakthrough – unsuspected – even by its most attentive scholars.

We know that Satan, the great illusionist, the father of lies and dreams, pride and hatred, viciously enjoys the ruin of his own worshippers and happily engages in mockery, but **we know that his main objective is to eliminate the Church of Christ and the sacrifice of Christ on the Cross from the face of the earth.** We know that **“Satan has actually reached the top of the Church”** with the help and betrayal of God’s ministers, who are now hoisting the flag of the **Cult of Nature** with the intention to destroy the last bastion left: **the Family.**

With the disappearance of the family, then, they want this deified, prideful Man «to erase the real name of God from the lexicon of life!»

Aldous Huxley was initiated by **Aleister Crowley**, the author of the **“Sacred Book”** of the **Ordo Templi Orientis**, with the use of psychedelic drugs and the esoteric order of the **Golden Dawn**.

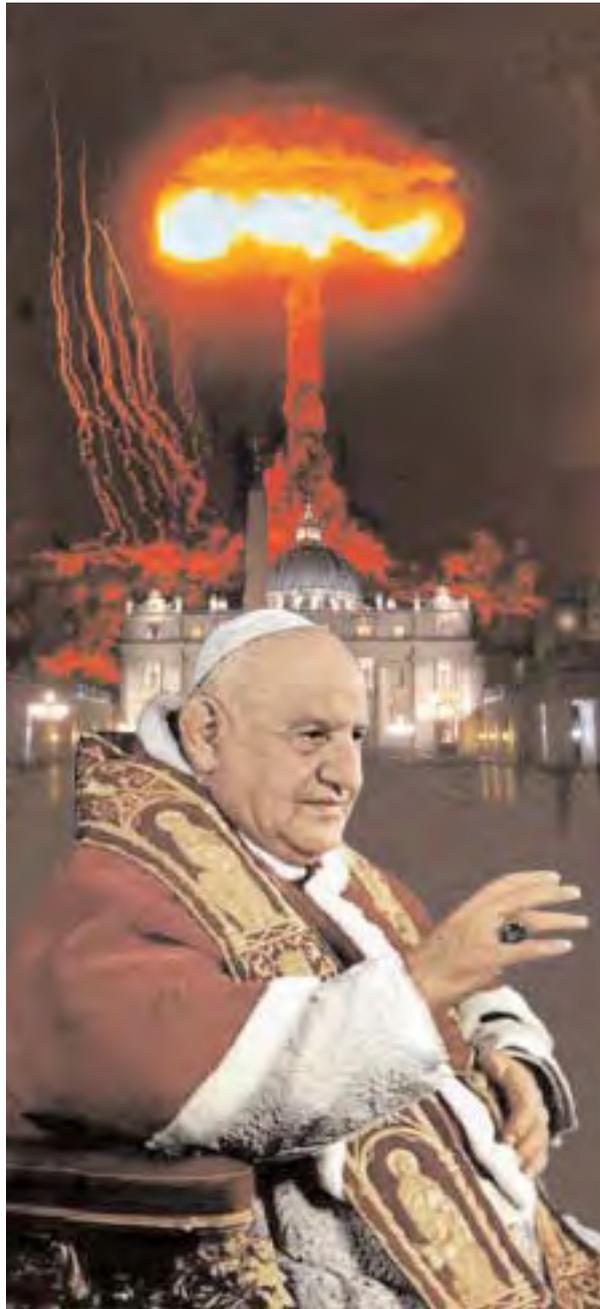

THE TRAGEDY of the Conciliar Church

A putrid political class, completely operated by Freemasonry – as the story of the “P2 Lodge” has clearly demonstrated – **an expression of a deadly, liberal secularism triumphant throughout the world, is bringing our unfortunate people to the ultimate disaster and to Gnostic and Satanic self-destruction.**

This may not surprise those who consider that **the political Parties, all Parties and the nefarious system that is based on them, are nothing more** – as the history of the French Revolution clearly demonstrates – **than emanations of Masonic clubs and expressions of the “secular” State** – it would be more accurate to say **“atheist”** – which, breaking all ties with the Divine Law, programmatically and Luciferianly proclaims, in the name of so-called “Humanism,” the autonomy of Man from God.

Today, however, we have to realistically acknowledge a shocking fact: **THE SILENCE OF THE CHURCH HIERARCHY, THE WHOLE CHURCH HIERARCHY,** in the face of this extreme and most filthy assault on what remains of Christian Society and to Man, himself, in his essence, makes sense.

But to only talk about silence, given the huge importance

Was the threat of an atomic bomb used on the Vatican, in October, 1958, to replace Card. Giuseppe Siri, legitimately elected as pope and taking the name of Gregory XVII, replacing him with Masonic Rosicrucian, John XXIII?

of the very serious and inexcusable issue, is still inadequate: **the Presidency of the Italian Episcopal Conference, indeed, has come to issue a document that ensures the government’s post-election «sincere cooperation for the promotion of Man and the good of the Country.»**

The fact is shocking if one considers that the government was headed by **Giuliano Amato**, a senior official of the Socialist Party, of whom we had the opportunity to contemplate **the moral standards, examining the reports of his draft laws on sex education** and recall the incredible and public stance of his authoritative representative, the **“honorable” Marinucci, on the “complete deflowering” of girls in the kindergarten.**

Especially since the Socialist Party has been and is **the spearhead of every attack on the Christian conception of life: from divorce to abortion, and has fought and is fighting for that other horrible massacre that is euthanasia ...**

All this in the wake of the ideal route from Nazism and Jewish Grand Master of the Grand Lodge of France, **Dr. Pierre Simon.**

Not to mention the proposals, presented by that party, **on the legalization of cohabitation outside marriage, including same-sex, and incest.**

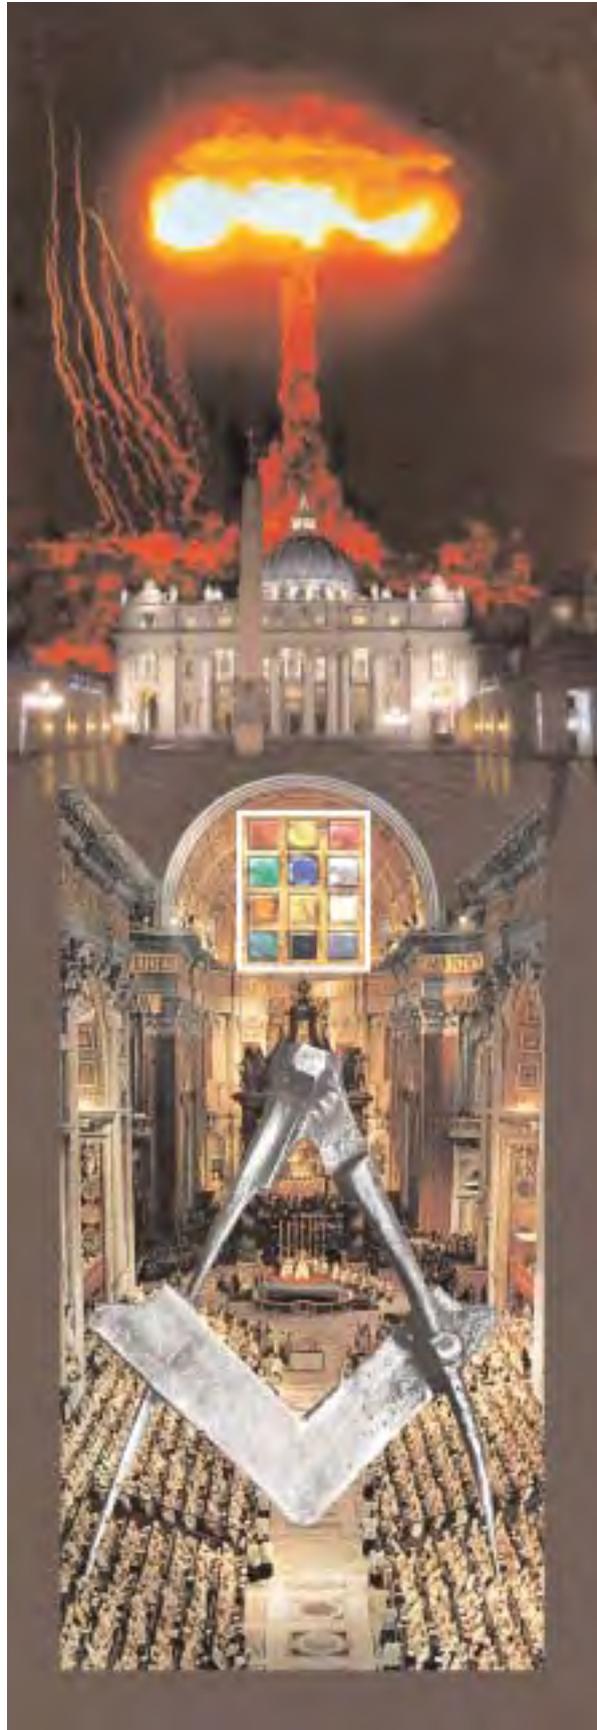

Initiatives all uniquely converging towards the ELIMINATION OF FAMILY AND THE CORRUPTION OF MINDS AND HEARTS that we have seen to constitute a major objective of the secret sects in the context of their Gnostic-Luciferian religion and their plan for world government. **Now it is just terrifying to think that a government that provides a sure guarantee to proceed further, on such roads receives the approval of the Church hierarchy.**

However, what we want to emphasize here is that, **faced with this incredible alliance of “shepherds” with the destroyers of the flock of Christ, it is not presumptuous to speak of complicity.**

You cannot, however, help but notice that this indifference to the most serious moral problems is an inseparable aspect of the **Ecumenism of Vatican II** that, **contradictorily condemning the condemnation of error as a manifestation of a lack of charity** (a brand new “charity” detached from truth, and then by God!), **accepts the legality and goodness of every doctrine, and therefore of every morality**, because if every doctrine is to be respected, so is any consequent behavior, which constitutes its practical application. To better define this **new spirit**, it is appropriate to recall to the reader’s memory, the famous cases, of which only shallow people or the deliberately blind may underestimate or even deny the unspoken but **eloquent pedagogy.**

Suffice it to mention, **John Paul II’s reception of Marco Pannella**, leader of the **Radical Party** in whose ranks was elected – **the “honorable” Cicciolina, and the advocate of the legalization of drugs, abortion and all that is opposed to the Christian name.**

During an anti-prohibitionist demonstration, which he organized in Rome few days before, some militants of the Anti-Drug Coalition **accused him of being hired by foreign capitalists interested in the international traffick-**

With Vatican II, International Masonry intended to replace the Catholic priesthood with the “Masonic priesthood” and corrupt the clergy with the **Cult of the Phallus, Cult of Man and the Cult of Lucifer.**

ing of drugs. In the presence of various television networks, he admitted the charge, verbatim, and he added, **«We want free drugs to starve the people and destroy Humanity.»**

On an excursion at a resort in the Alpine snow, the same **John Paul II created quite a stir** along with the Socialist, **Sandro Pertini**, as it could not help but play out in front of Catholics as a warm endorsement to the man and, above all, to his ideas and the Party that he represented. What, then, does one make of the two official receptions of March 22, 1984 and April 19, 1985 for the representatives of the **High Jewish Freemasonry of the B’nai B’rith**, which we have seen Freud belonged? All these facts are placed, undeniably, on the same line as the **Interreligious Peace Prayer in Assisi** on October 27, 1986, **WHERE THE EQUAL DIGNITY OF ALL RELIGIOUS BELIEFS, AND THEREFORE ALL MORAL DOCTRINE: MAGIC PAGANISM AND BUDDHIST ATHEISM INCLUDED WAS SYMBOLICALLY PROCLAIMED, IN FRONT OF THE WORLD!** Going further back in time, we find the reception of **Paul VI** to the **Hungarian Communist leader, Kadar**, on June 9, 1977, that of the **Romanian tyrant, Ceausescu**, on May 26, 1973 and the aforementioned **B’nai B’rith** in June, 1971.

To recall, the first manifestation of this new spirit was the warm welcome and good wishes for the future **John XXIII**, then Patriarch of Venice, at the **Congress of the Socialist Party** held in that city.

And besides, **this principle of freedom of religion**, repudiating all the previous Magisterium of the Church, **CONSTITUTES THE ESSENTIAL INNOVATION AND THE ESSENCE OF THE MESSAGE OF VATICAN**

II, the principle which involves the State’s indifference in the face of religious choices of their subjects, reduced to a mere **“private affair,”** and, therefore, the detachment and autonomy of the State with respect to any religion, and

then to every moral, then one cannot grasp or even theorize that **gap between the Divine Law and human law which is also the essence of the Revolution.**

This claim to autonomy of Man from God, then, is nothing but **“we will be like gods”** – and, therefore, equal to God – and therefore **FREE FROM HIS COMMANDMENTS AND ORIGINAL SIN.**

We, thus, understand why **Cardinal Suenens**, who was of the Council, and one of its protagonists, has defined the Council as the 1789 (or the anti-divine Revolution) **brought within the Church!**

Nobody can claim to impose on others the Christian concept of the sanctity and inviolability of human life that, overall, appears now “passé” in the name of democratic freedoms, from legislation on abortion that, it is reasonable to expect, is imminent, onto euthanasia.

As **Islam** is becoming ever important, especially now, thanks to immigration, how will it be possible for the European states **to deny the poor Muslim the right and freedom, peacefully perceived in the Koran, to keep a few slaves for his personal needs or his harems? Perhaps, he may need to obtain them by raiding a neighborhood?**

However, here, it matters to emphasize that, **for the doctrines of Vatican II, the Divine Law, and in particular the Decalogue**, if brought back to the foundation of Society and therefore of Human Society, **would not constitute any instrument of freedom, in the words of Jesus (Jn. 8, 32), but of slavery and denial of the “dignity of man” so dear to the Kabbalists and in whose name the Lodges deny God the homage due to him.**

It is not simply a fortuitous coincidence the **“Dignitatis Humanae”** also bears a title of **“Conciliar Declaration”** that spells out precisely the natural right of every man to **choose and practice their religion and morality that best way that satisfies ones needs.** It is, however, undeniable that this doctrine of the autonomy of the human from the Divine law coincides, in full, with the main political and moral principle of Freemasonry:

«The separation of the moral law from religious motivation may be referred to as the basic idea of all the fundamental ideas of Freemasonry.»

Moreover, already in the last century, the **Grand Master Adriano Lemmi** proclaimed: **«We have to always proclaim loudly that Freemasonry wants the state to be completely ... substantially ... radically secular, with all the necessary legitimate consequences of this principle»** that form **“the same essence”** of the **“Masonic” ideal.**

In 1963, **Cardinal Giuseppe Siri** was again elected Pope, but had to withdraw because of threats made to a prelate from members of the Jewish Freemasonry of the **B’nai B’rith**: **«The persecution of the Catholic Church will resume immediately.»** Were they to be persecutions as those suffered by the flourishing Japanese Catholic communities in **Hiroshima** and **Nagasaki**? The President of the Conclave, **Prince Scotersco**, concluded: **«Returning to the conclave, the prelate made Montini the elected pope.»** Was the election of Paul VI canonically valid?

Frankly, we do not understand how this programmatic rejection of the authority of the Divine Law, and the subsequent acceptance of the advancing of the Atheist State, that the law is arbitrary and a changeable product of human will, is compatible with the invocation of the **“Our Father” “Thy Kingdom Come,”** and with the teaching of the Old and New Testament, reiterated by the Church for nineteen centuries, **that God is the sole legislator, judge and king!** (Jas. 4, 12; Isaiah 33, 22).

It would seem to us, indeed, that by reasoning, logically speaking, one should come to the conclusion that **indicates His law is an instrument of slavery, equivalent to outlawing Christ, condemning Him as a tyrant.** What Freemasonry does not hesitate to do, is to call freedom: **Luciferian.**

All these considerations are very important for the subject that we are dealing with. It follows, in fact, necessarily that concerning **the Hierarchy, which currently sits at the top of the Church, until it has sincerely repudiated and severely condemned the principle of the Vatican II – THE FREEDOM OF RELIGION AND MORALITY – one can’t expect any intervention to be anything more than some mere facade!**

It was, moreover, in this line, that **Paul VI** practically left to themselves the Catholics Italians who fought against **the divorce law which was the first phase of the open attack launched by the Lodges for DISSOLUTION OF THE FAMILY,** from which followed the reform of family law, abortion and all the rest.

IS THE PUNISHMENT OF GOD at the Doors?

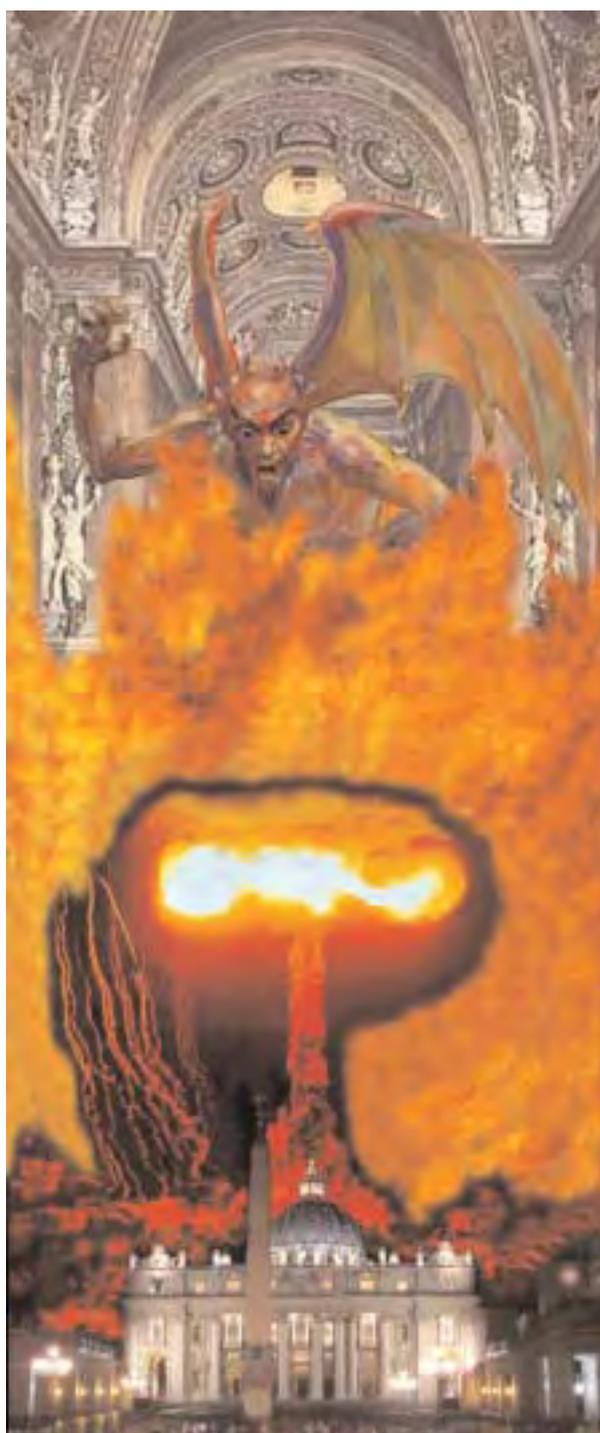

By Dr. Franco Adessa

Since 1992, when the book: **“Sex Education: Masonic Stage for the Annihilation of Man”** was published, more than two decades have passed during which the tragedy of the Conciliar Church has assumed a severity to unbelievable limits.

In order to believe in certain realities, concerning the ecclesiastical hierarchy, which have emerged over the last few years, one should read some messages that Our Lady gave us in Her apparitions at La Salette and Fatima.

In the message of La Salette, Our Lady spoke about **the three levels of the corruption of the Clergy**, ending with the words: **«Rome will lose the Faith and become the seat of the Antichrist,»** while in the Third Secret of Fatima, She said, **«Satan will actually succeed in reaching up to the top of the Church.»**

As the **Antichrist**, in the Apocalypse of St. John, is represented by the three animals: the **Dragon** (Satan), the **Beast Rising from the Sea** (the head of the political world) and the **Beast Rising from the Earth**, which has two horns like to a lamb but speaks like a dragon (the head of the spiritual power of the world), **Our Lady tells us that at the summit of the Church, there will not be a Vicar of Christ, but a Vicar of Satan.**

Eight days after the election of Paul VI, with a double black mass, in Rome and Charleston (USA), Satan was enthroned in the Pauline Chapel.

Now it is historical fact that eight days after the fraudulent election of **Paul VI**, on June 29, 1963, with a double **Black Mass**, in Rome and Charleston (North Carolina – USA), **Satan was enthroned in the Pauline Chapel**, where the Pope plays the role of **“Guardian of the Eucharist.”**

At the end of the Mass, in Rome, the **International Prussian Delegate** Extraordinary Holder of Power to Enthronement, read the **Authorization Act**, saying among other things:

«As wished by the Assembly and the Sacrosanct Elders, I institute, authorize and recognize this chapel from now on as the Inner Chapel, taken, possessed and appropriated to Him, the One whom we have sworn Lord and Commander of our Human destiny. Anyone who, through this Internal Chapel be appointed and chosen final successor in the Petrine Office, will swear (...) to be the willing tool and collaborator of the Founders of “Man’s House on Earth.”»

At that moment, a new church was born, the **“Universal Church of Man”** of Satanic inspiration, which was intended to **eliminate the Church of Christ.**

In fact, Our Lady, in La Salette said, **«The Church will be eclipsed.»**

Since that June 29, 1963, therefore, Satan was to decide the succession to the throne of Peter; it was **Satan** who **«had actually reached the top of the Church»!**

It was the **second Head of the Bavarian Illuminati, Nu-bius**, to formulate, in 1919, the plan to engage a Pope in their plot, «What we have to look and wait for, as the Jews await the Messiah, **is a Pope according to our needs.** (...) A Clement XIV would be our chance (...) Because only with this, could we crush the Rock upon which God has made His Church (...) **we would have the little finger of the successor of Peter engaged in conspiracy**, and this little pinkie finger would be worth, for this crusade, all the Urban II's and all the St. Bernard's of Christianity! (...) You want to revolutionize Italy? Seek out the Pope of whom we have made the portrait. (...) **Let the clergy walk under our flag, believing to walk under the banner of the Apostolic Keys.»**
The Pope “according to the needs” of the Illuminati was Paul VI.

But, in November 1954, **Pius XII** threw Mons. Montini out of the State Secretariat for betraying him to the Soviet Secret Services and asked the Cardinals to never make him Cardinal, to prevent his access to the papacy.

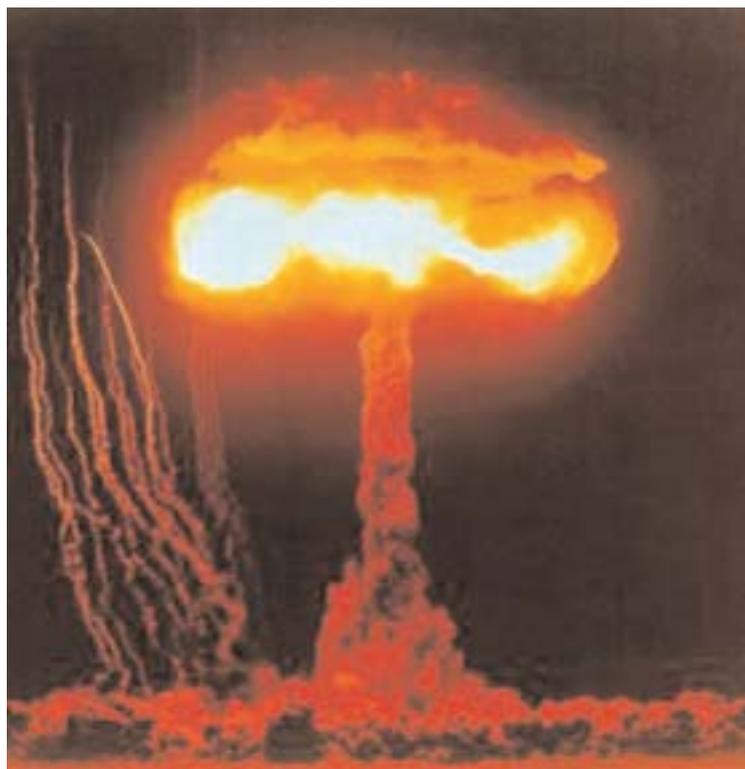

The only chance available to Masonry was **Msgr. Angelo Roncalli**, dominated by **Montini** and by **Loris Capovilla** who became his personal secretary. But Roncalli had cancer and the spread of the news would

have precluded the papacy; also 1960 was approaching, the year in which the Our Lady said to publish the **Third Secret of Fatima**, which Pius XII would have definitely done, exposing the Masonic plot to elect **“a Pope according to its needs.”**

It was necessary for Pius XII to die soon and the Conclave was “forced” to elect Roncalli who, afterward, would make Montini a Cardinal and his directives would pave the way to his papacy. From May to August 1958, **33 nuclear American bombs were detonated**; from September to October 5, 1958, **6 Soviet nuclear bombs were detonated.**

Pius XII died on October 9, 1958. From October 10 to 25, **9 other Soviet nuclear bombs were detonated.**

On October 26, **Cardinal Giuseppe Siri was elected Pope and took the name of Gregory XVII, remaining the true Vicar of Christ until his death in 1989.**

But threats exercised against him were such as to make him desist, and so **Card. Angelo Roncalli**, described by Avro Manhattan, as a **“candidate of the Kremlin,”** on October 28, was elected with the name **John XXIII.** Three days later, on October 31, 1958, the Kremlin announced a halt to its nuclear weapons testing program.

Threats exerted against the person of Cardinal Siri and his entire family were a reality, but there is also another reality much more striking and terrible.

In a book, **Avro Manhattan** wrote: **«The atomic bombs which within seconds swept Hiroshima and Nagasaki off the face of the earth (...) should be a warning to all those forces that are concerned with the future of**

Mankind that the methods of uncompromising principles of past ages are forever out-of-date.» **«The Catholic Church (...) it should take heed of the warning and, by keeping step with the spirit of the twentieth century, try to follow a new road.»**

In **Hiroshima and Nagasaki**, the two most flourishing Catholic communities of Japan were exterminated.

H.G. Wells, in his book, **“Crux Ansata”** openly advocated the destruction of the Vatican.

Already, since 1949, the secular powers were trying to intimidate Pope Pius XII with the threat of a nuclear bomb on the Vatican to force a change in Church teaching, which BLOCKED THE AGENDA OF THE EMERGING

WORLD GOVERNMENT OF THE ANTICHRIST.

In 1921, **Alice Bailey**, the founder of the **Lucifer Trust**, (then called Lucis Trust), the most powerful Satanic cult that runs the United Nations, **described, in no uncertain terms, that world powers had secretly tried to terrorize the Church with their Nuclear weapons.**

In 1972, **Giuseppe Siri**, revealed the willingness of world powers to overturn the conventions of the Church concerning the election of the Pope and said: **«Today, some superpowers have too much interest in owning their part, (...) of the highest moral authority in the world. And they will do anything to achieve this.»**

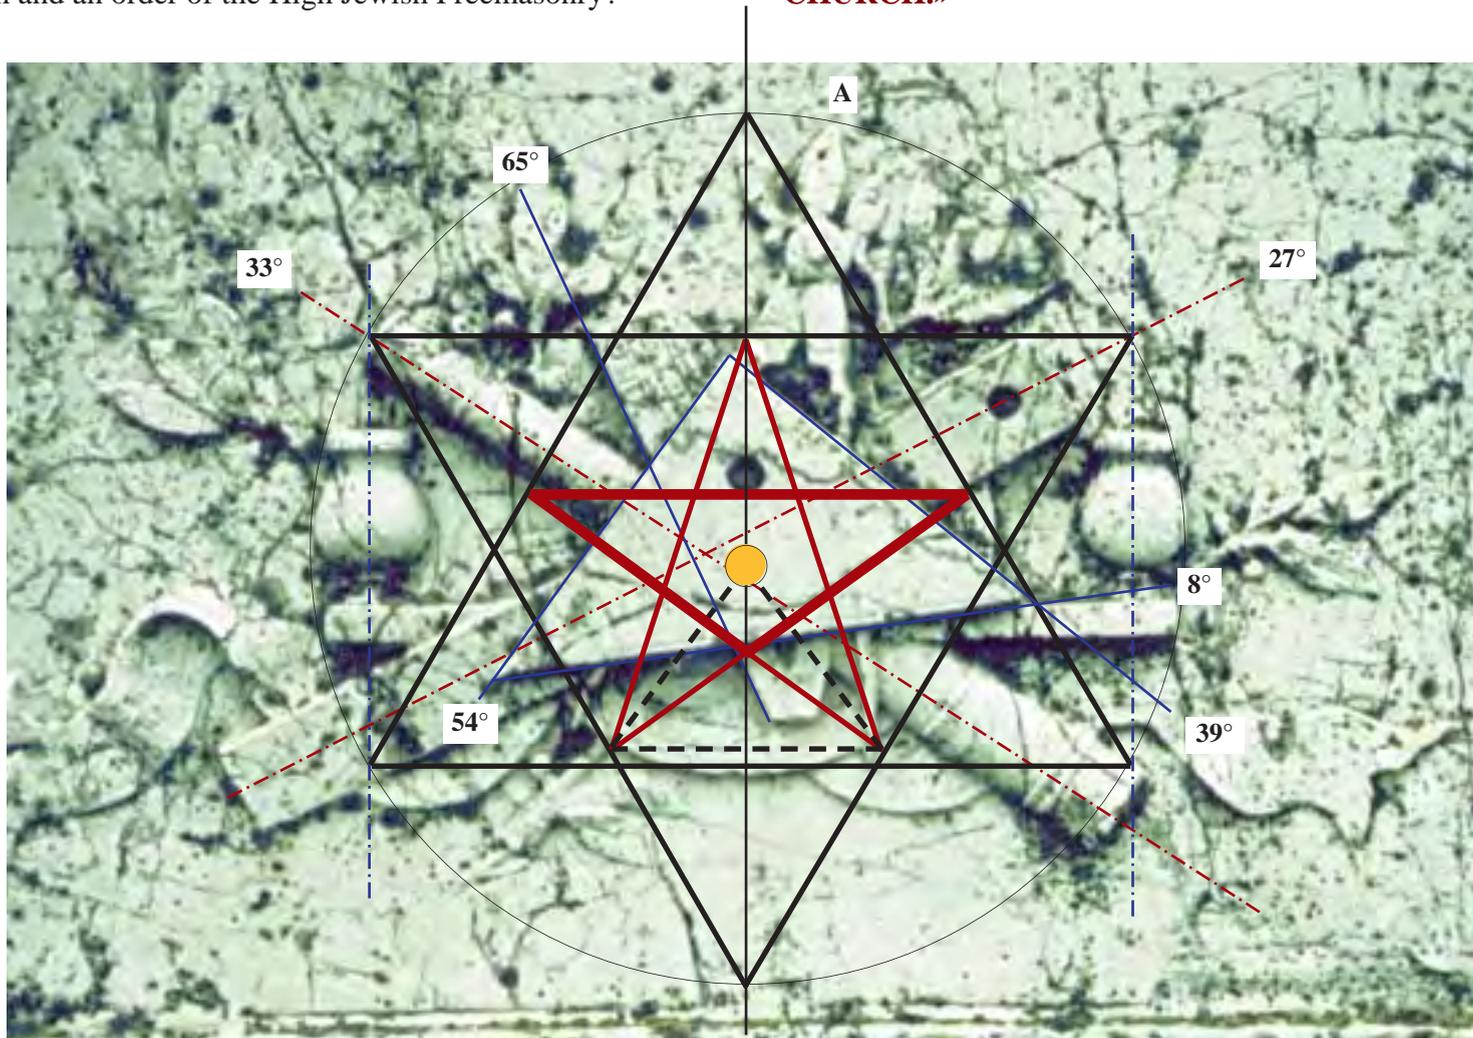

In the “mainstream” account of the “election” of John XXIII, the priest and historian **Father Paolo Perrotta** wrote: **«Should all the cardinals be killed, as is possible**

now in the face of the atom bomb, the right to elect the Bishops of Rome will revert to the body which originally enjoyed it and of which the cardinals are representatives, namely, the clergy of the Eternal City.»

In 1963, Cardinal Giuseppe Siri was again elected Pope, but had to withdraw because of threats made to a prelate from members of the Jewish Freemasonry of the B'nai B'rith: «The persecution of the Catholic Church will resume immediately.» The President of the Conclave, Prince Scotersco, wrote: «Returning to the conclave, the prelate made Montini to be elected pope.» Was the election of Cardinal Giambattista Montini, then, a wish and an order of the High Jewish Freemasonry?

Before he died, in July 1999, the ex-Jesuit, writer and perennial “insider” of the Vatican, Malachi Martin, cryptically admitted that during the conclave of 1963, there was a criminal action immediately after the second papal election of Siri, through a terrible external threat to annihilate the Vatican.

Martin clearly stated that: «It is certain that in the voting in the conclave of 1963, Siri had collected the necessary number of votes to be elected pope, but the election was set aside by what has been called the “little brutality” ... After three days of the conclave, Montini emerged as Paul VI. Montini would represent the HEAD OF THE ANTI-CHURCH.»

THE BLASPHEMOUS AND SATANIC MASONIC TRIPLE TRINITY on the Tombstone of Judith Alghisi, mother of Paul VI in the cemetery of Verolavecchia (Brescia)

In 1943, Msgr. Giambattista Montini was the author of the symbols carved on the tombstone of his mother. This symbolism represents the **Masonic Triple Trinity**, in which Montini comes as the **Second Beast rising from the earth**, that is the **Patriarch of the World** also called the **Supreme Chief of the Illuminati of Bavaria**.

The **First Trinity** (the Mason of the 1st degree or **Rough Stone**) is represented by the triangle with black dotted line, having as the upper vertex the center of Lucifer's All-seeing Eye.

The **Second Trinity** (the Mason of the 15th degree or **Master Mason or Man-God or Perfect Stone**) is symbolised by the 5-

pointed Star, 6-pointed Star and the Central Circle, called the **Holy Spirit**.

The **Third Trinity** is formed by the Inverted Triangle (red) of the 5-pointed Star and having at the center the **All-seeing Eye of Lucifer**.

The sides of this triangle represent: **Lucifer** (horizontal), the **Emperor of the World**, the **Patriarch of the World**.

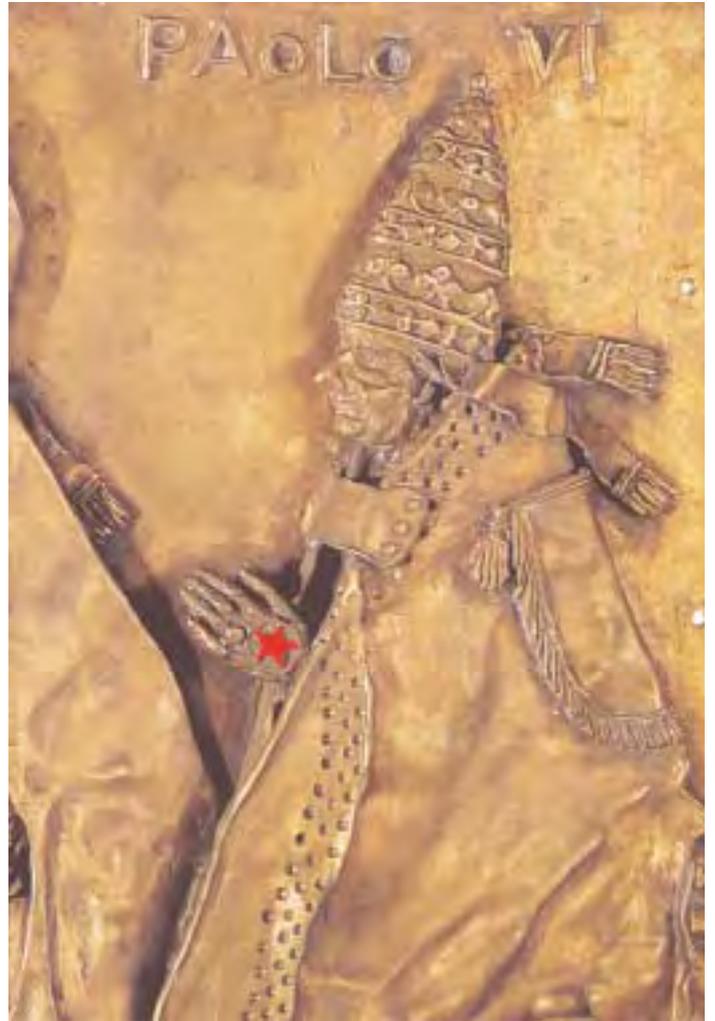

This **Third Trinity** is none other than the **Antichrist of Revelation** the set of the three Beasts: the **Dragon** (Lucifer), the **First Beast rising from the sea** (Emperor of the World), the **Second Beast rising from the earth** (**Patriarch of the World**).

Paul VI lays the tiara, in the presence of approximately 2.000 Bishops.

Paul VI wears the ephod, the symbol of the denial of the Divinity of Christ.

1st TREASON

18th degree, "Knight of the Rose-Croix" [Rosicrucian].
The betrayal of our Lord Jesus Christ, with the intent to remove the "Sacrifice of Christ on the Cross," with his "New Mass," by removing the ideas of "Sacrifice" and the "Real presence."

2nd TREASON

17th degree: "Knight of the East and West."
The betrayal of the Church by invading it with Masonic prelates in order to reform it and place it under the service of Man and of Judaism.

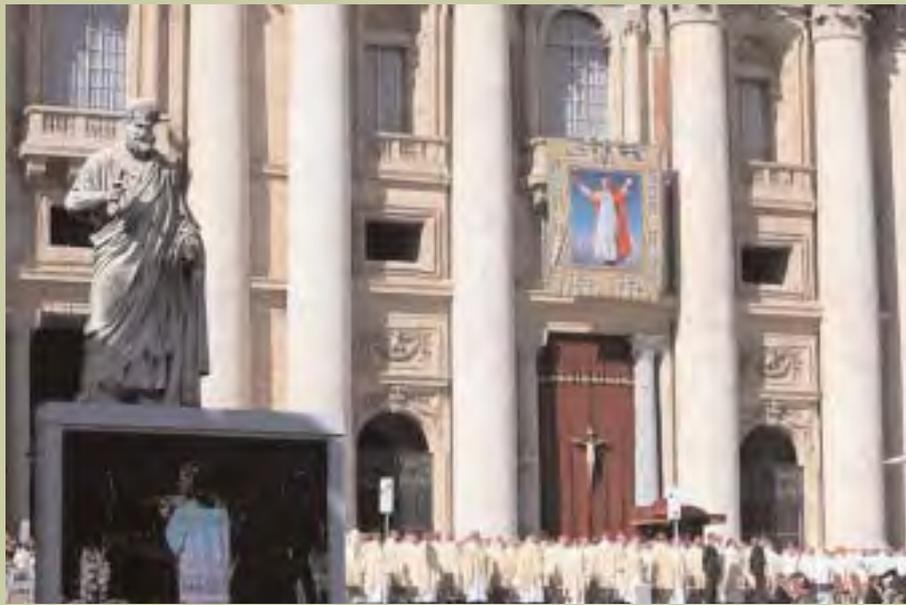

3rd TREASON

16th degree: "Prince of Jerusalem."
The betrayal of all Catholic peoples, with his "Masonic Ecumenism" and his "Universal Masonic Republic" formed by multi-ethnic and inter-religious States.

The Masonic monument to Paul VI on the "Sacro Monte" of Varese, which glorifies the three betrayals of Paul VI against Christ, against his Church and against all the Catholic Peoples of the world.

A SHAMEFUL BEATIFICATION!

October 19, 2014. Beatification of Paul VI.

You have beatified Paul VI knowing that He:

was a homosexual up to his last days and invaded the Church of Christ with Prelates with the same impure vice against nature; denounced, having arrested, tortured and killed the bishops and priests that Pius XII was sending, in incognito, beyond the Iron Curtain; was removed by Pius XII for his betrayal with the Soviet Secret Services; was elected Pope, in place of Card. Siri, thanks to the threat, made by members of the Jewish High Masonry of B'nai B'rith, to IMMEDIATELY PERSECUTE the Catholic Church; was a Mason and became the Supreme Pontiff of Universal Masonry, also called Supreme Head of the Illuminati of Bavaria or the Second Beast rising from the earth of St. John's Revelation;

developed his Pontificate according to the oath made in 1963, during the double Black Mass with which Lucifer had been enthroned in the Pauline Chapel;

in 1965, at the U.N., delivered his raving speech on the "Cult of Man," officially presenting himself to the world as the Harlot of Babylon;

realized the Satanic plan of the Illuminati of Bavaria to corrupt the Clergy introducing the Cult of Phallus, Cult of Man and Cult of Lucifer within the Church;

founded the "Universal Church of Man" of Satanic inspiration;

wore, on his chest, the Ephod of Caiaphas, the symbol of the denial of the Divinity of Christ;

never governed the Church but directed Her self-destruction;

intentionally destroyed all essential dogmatic value of the Holy Mass and of the Sacramentality of the Ministerial Priesthood;

betrayed Christ, the Church and all Christian Peoples of the world;

was repeatedly glorified as the greatest Rosicrucian Knight for having almost succeeded in eliminating the Sacrifice of Christ on the Cross from the Catholic Mass;

didn't want any Christian symbol on his coffin, not even a cross!

**IT IS NOW A HISTORICAL FACT
THAT THE TWO "POPES"
WHO HAVE BEATIFIED PAUL VI
BEAR THE WEIGHT OF A CONDEMNATION
FROM AN INTERNATIONAL TRIBUNAL

SHAME ON YOU!

THE HERALDIC EMBLEM OF THE 30th DEGREE "KNIGHT KADOSCH"

Please note this subtlety: as the two-headed black and white eagle represents the temporal and religious powers, both in the same person, the two numbers, **6** and **7**, identify the **Emperor of the World** and the **Patriarch of the World**. To express this reality, [the dots] are drawn as **5** clear points with two others so closely joined together that there is a difficulty to decide whether to consider them as one point or two!

The magnification of the **Crown**, which in the ritual of the 30th degree is called the "**immense inverted triangle**," allows us to see the numbers **5, 6, 7** and **4** (dots highlighted with color). The first three numbers identify the **Masonic Third Trinity**, consisting of **Lucifer, Emperor of the World, and Patriarch of the World**, while the number **4** symbolizes the 4 cardinal points i.e. the entire world. This symbolizes the Satanic replacement of the **Cross of Christ** surmounting the **Globe**.

The **two-headed black and white Eagle** symbolizes of the **temporal and spiritual power** in the same person.

The **Crown** symbolizes the **inverted Triangle**, or **Masonic Triple Trinity**.

The **Templar Cross** symbolizes the **Cult of Lucifer** and the **Masonic Temporal Authority**.

The **Sword** in the claws of the Eagle, and placed between the two flags with **white, black and red** colors, symbolizes the weapon to be used to achieve **Kabalistic Sapience [Wisdom]**.

The **two Lances**, each associated with a Templar Cross, symbolizes the **Temporal Authority** arising from the worship of **Lucifer** and the **Spiritual Authority**, derived from the **Cult of Man**.

The **Templar Cross** symbolizes the **Cult of Man**. The black and white background symbolizes the **Man-God**.

The **Templar Cross** symbolizes the **Cult of Phallus**.

Motto: "Non Plus Ultra" [No further] (NPU), symbolizes the hierarchy of the hidden power:

The **Colors** that appear in the coat of arms of the 30th degree are: **White, Black, Red, Gold, Silver and Blue**.

1. **The Crown, the inverted Triangle, Masonic Third Trinity;**
2. **The Menorah** and the two lances exercises the **double political occult power** of the **Kabalistic Jews** and **Freemasonry**;
3. **Two-headed Eagle**: the **spiritual-temporal power** serving the occult power;
4. **Templar Cross**, in the shield with its meaning of **Cult of the Phallus**, symbolizes the power over a **Masonic and Satanic Humanity**.

The **Menorah**, the 7-pronged Candelabra symbolizes the **Synagogue of Satan** and the **Kabalistic Jews**.

The mysterious 7 rung **Double Ladder with the 8th rung**, at the top, symbolizes the descent of the spirit from **Kabalistic Sapience [Wisdom]** (31st degree) on earth and its return to **Sapience [Wisdom]** climbing the 7 steps of 24th, 25th, 26th, 27th, 28th, 29th and 30th degree of A.A.S.R. of Freemasonry.

The **Skull** that bears the **Tiara** (= Pope) is pierced by a **dagger**.

The **Dagger** symbolizes the **arm of the traitor**, striking the Pope from the back to remove the divine origin of his role as the Vicar of Christ. It is interesting to note that the axis of the knife reaches the apex of **7-rung Ladder** at the eighth step: **Kabalistic Wisdom**.

The **Shield** contains symbols of the **plan** of this degree: the **Menorah**: hatred and war against the Triune God, unite Catholicism and Judaism; the **Templar Cross**: the corruption of the people by the clergy; the **7-rung Ladder**: the path of **Masonic Kabalistic Sapience [Wisdom]** directed against the Church; the **Dagger**: to strike the Pope and the clergy converting their authority of Divine origin into a political tool working for the **Judeo-Masonic occult world power**.

In this degree, the Mason declares
HATRED AND WAR AGAINST GOD!

THE COAT OF ARMS OF BENEDICT XVI REPRESENTS THE 30TH DEGREE?

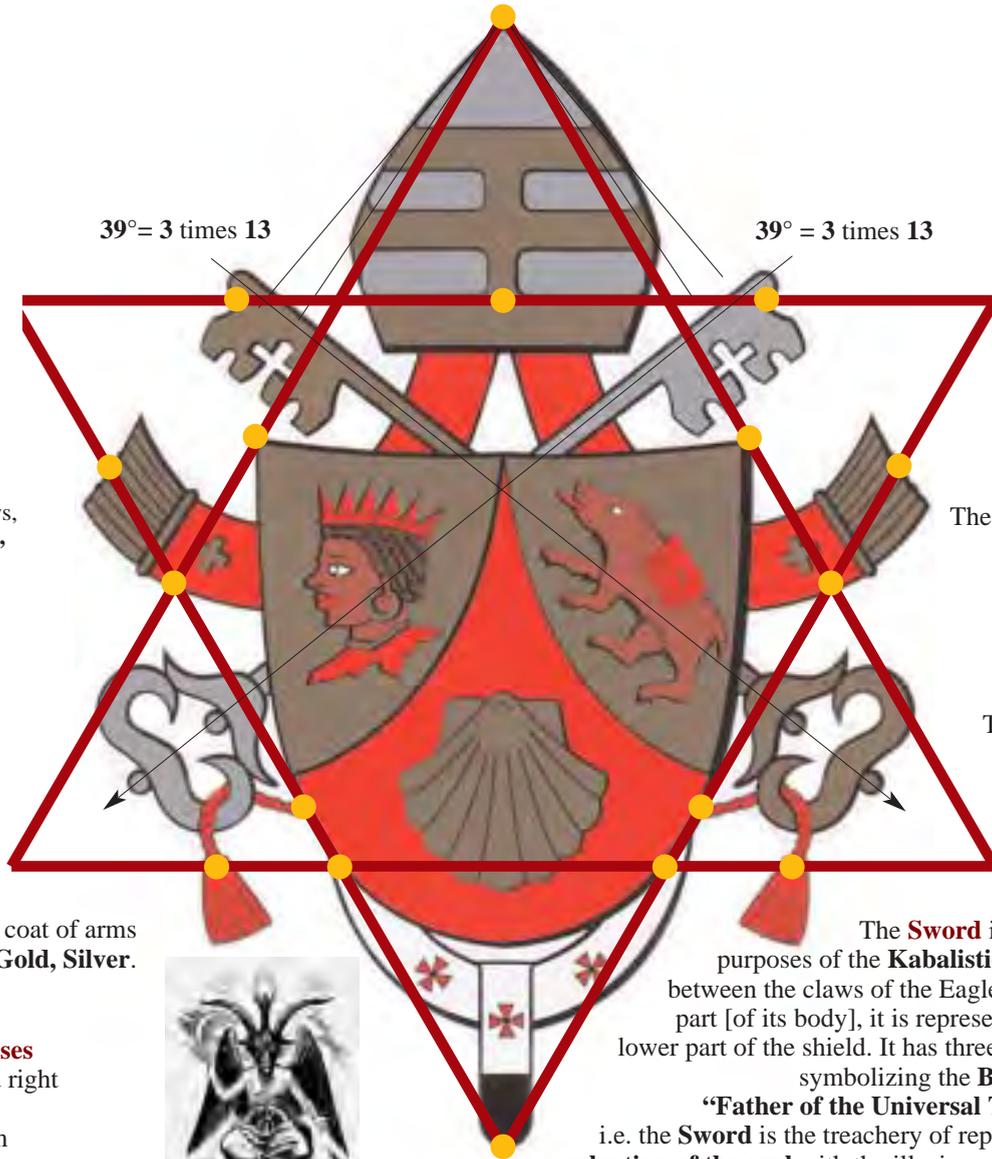

The lowercase initials of the **Motto: Non Plus Ultra (NPU)** are obtained from the shapes of the niches in the Apostolic Keys: the letters “u,” the “Greek pi,” and an inverted “n” (= “u”)

The **Double 7-runged Ladder**, of which the 8th is the top step, is the **Kabalistic Sapience**. It is found in the elements of the end fringes of the two ribbons of the Miter.

The hierarchy of the occult power is represented by:

1. **The Number 39** (3 times 13), represents the **Trinitarian Lucifer**, namely the **Crown**, the **inverted triangle**, or the Masonic **Third Trinity**;
2. **The Menorah**, see the composition at the bottom right [of the page], and the two Apostolic Keys, the dual power exercised by the **Kabalistic Jews** and **Freemasonry**;
3. **The Bear-boar**: the Religious-political power serving the occult power;
4. **The Tau Cross**, inscribed in the recess of the Apostolic Keys, represents the **Cult of Phallus**, and symbolizes the power over a Masonic and Satanic Humanity.

The **Dagger** is the weapon to achieve one of the aims of the **Kabalistic Sapience [Wisdom]**. By analogy, in the coat of arms of the 30th degree, the knife goes from the right hand to thrust into the skull of the Vicar of Christ. It is with the **Boar-Bear** that the Knight Kadosch acts to **replace the “supernatural” with the “social”** and to transform the **Pope** and the **Clergy** into a **political class** in the service of the power of the Antichrist.

The **two-headed Eagle**, symbolized by the **boar-bear** hybrid beast, represents the **spiritual power** prostituting itself at the service of the occult **temporal power** of Freemasonry.

The **Two Lances** are represented by the two Apostolic Keys, one gold: the **temporal power**, the other of silver: the **spiritual power**.

The **Colors** that appear in the coat of arms are: **White, Black, Red, Gold, Silver**.

The Three **Red Templar Crosses** symbolize: the two top left and right - the **Cult of Lucifer** and the **Cult of Phallus**, the bottom Center - the **Cult of Man** with the black and white colors representing the **Man-God**.

The **Sword** is a weapon for achieving one of purposes of the **Kabalistic Sapience [Wisdom]**. It is held between the claws of the Eagle, which is carried over its lower part [of its body], it is represented by the **Pallium**, also, in the lower part of the shield. It has three colors: **White, Black** and **Red**, symbolizing the **Baphomet** in that he signifies the **“Father of the Universal Temple of Peace among Men.”** i.e. the **Sword** is the treachery of replacing the **supreme good of the salvation of the soul** with the illusion of **Universal peace among men!**

The **Menorah**, the symbol of **self-deification of man**, is formed with the parts of the handle, and the stem of the Apostolic Keys and with the cords and red tassels that weave inside the handle.

Note that the two red ropes are formed from with **11 knots**, while the candles from **7 fringes** (flames).

The **Skull** is hidden at the top of the shell, circumscribed by the ridges [scallop]. There is a circular arc, which can be seen as the “mouth” of the skull.

The **Plan** is the **gold shell** with the **9 scallops**, contained in the red shield. The number **9** “scallops” the **18** [number 1+ 8] = **666**, the **number of the Antichrist** and represents the **18th degree of the Rosicrucian Knight** and the “closed” shell symbolizes the death of the previous generation. Therefore, the plan is: **the Antichrist wants to eliminate the Sacrifice of Christ on the Cross from the face of the earth and wants the death of the previous generation** (the Clergy, still celebrating the “Sacrifice of Christ” on the altar).

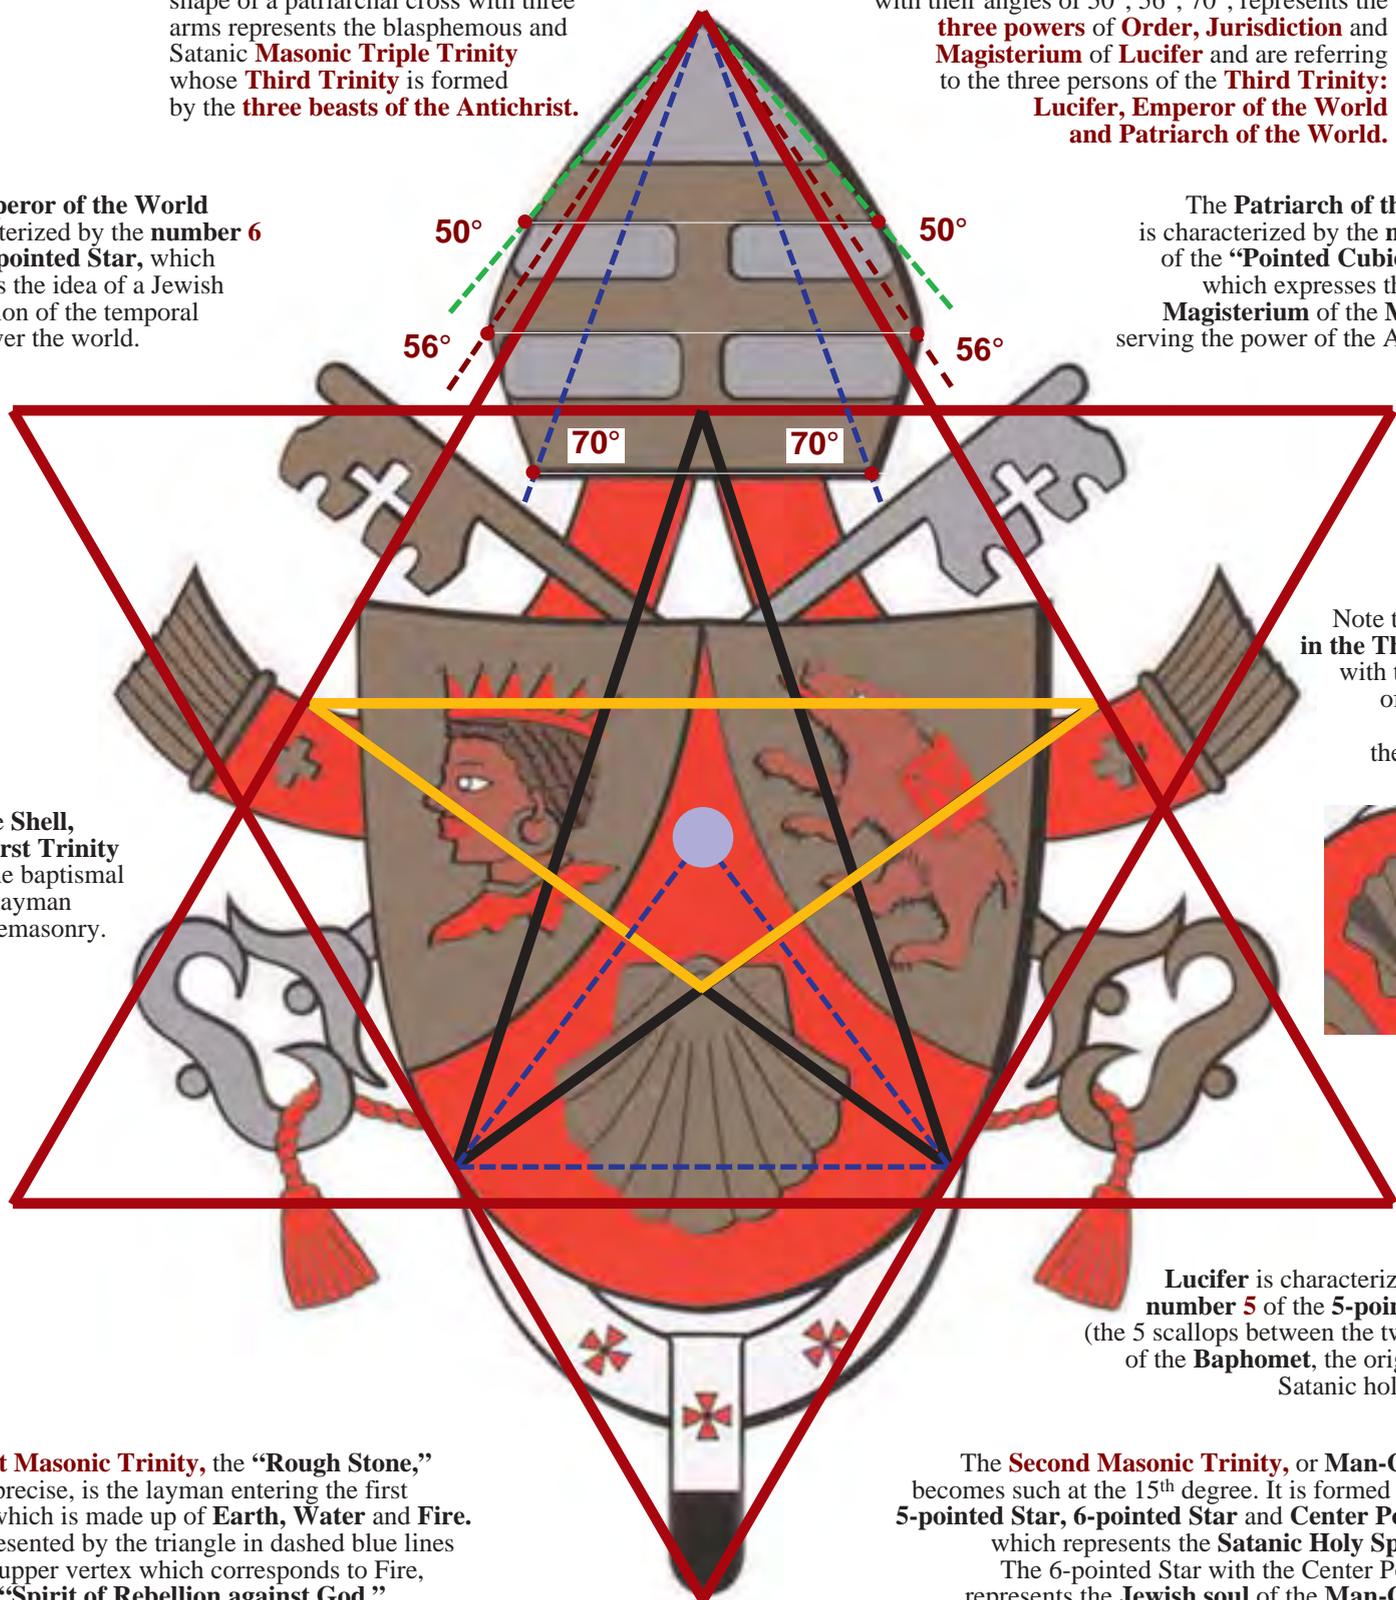

THE MASONIC TRIPLE TRINITY AND THE ANTICHRIST

The Miter of the coat of arms, with its shape of a patriarchal cross with three arms represents the blasphemous and Satanic **Masonic Triple Trinity** whose **Third Trinity** is formed by the **three beasts of the Antichrist**.

The three dotted straight lines (green, red and blue) with their angles of 50°, 56°, 70°, represents the **three powers of Order, Jurisdiction and Magisterium of Lucifer** and are referring to the three persons of the **Third Trinity: Lucifer, Emperor of the World and Patriarch of the World**.

The **Emperor of the World** is characterized by the **number 6** of the **6-pointed Star**, which expresses the idea of a Jewish Jurisdiction of the temporal power over the world.

The **Patriarch of the World** is characterized by the **number 7** of the **“Pointed Cubic Stone,”** which expresses the idea of **Magisterium of the Man-God** serving the power of the Antichrist.

Note that the **Shell**, inside the **First Trinity** represents the baptismal font for the layman entering Freemasonry.

Note that the **Shell in the Third Trinity**, with the geometry of its scallops, represents the **Baphomet**.

Lucifer is characterized by the **number 5** of the **5-pointed Star** (the 5 scallops between the two horns) of the **Baphomet**, the origin of the Satanic holy **Order**.

The **First Masonic Trinity**, the **“Rough Stone,”** or to be precise, is the layman entering the first degree, which is made up of **Earth, Water and Fire**. It is represented by the triangle in dashed blue lines with the upper vertex which corresponds to Fire, i.e. The **“Spirit of Rebellion against God.”**

The **Second Masonic Trinity**, or **Man-God**, becomes such at the 15th degree. It is formed by a **5-pointed Star, 6-pointed Star and Center Point**, which represents the **Satanic Holy Spirit**. The 6-pointed Star with the Center Point, represents the **Jewish soul of the Man-God**.

The **Third Trinity** or **Inverted Triangle** (with yellow-gold lines) is formed by **Lucifer (Baphomet)**, the **Emperor of the World (Moor’s head)** and **Patriarch of the World (Bear-boar)** along with the **All-seeing Eye of Lucifer** in the center. According to the ritual of the 30th degree of Knight Kadosch, this spirit of Lucifer **“spreads its blue light of the spirit of wine”** during the two most satanic moments of the ritual: Knight Kadosch’s **act of worship to Lucifer**, under the image of the **Baphomet**, and his **act of defiance toward God**, when wielding his dagger into the sky, he exclaims: **“Revenge, Adonai!”**

THE OCCULT MEANING OF THE
COAT OF ARMS IS THE FOLLOWING:

BENEDICT XVI

REFUSES THE THREE POWERS OF CHRIST
AND ACCEPTS THOSE OF LUCIFER.

HE GLORIFIES
THE CULT OF LUCIFER,
RITUAL MURDER,
THE HATRED AND WAR AGAINST GOD
AND PRESENTS HIMSELF AS:
PATRIARCH OF MASONRY,
SUPREME PONTIFF
OF UNIVERSAL MASONRY,
HEAD OF THE ORDER
OF THE ILLUMINATI OF BAVARIA
AND
PATRIARCH OF THE WORLD WHO
WITH THE EMPEROR OF THE WORLD
AND LUCIFER FORM
THE ANTICHRIST!

BENEDICT XVI CONDEMNED to 25 Years of Prison for Crimes against Humanity!

After “The Last Battle of Father Luigi Villa,” that lasted sixteen months, **Benedict XVI resigned** on February 11, 2013.

This battle, planned in September 2011 by Father Villa, had to start in the month of December with an article that would denounce the fact that **BENEDICT XVI NEVER BELIEVED IN THE DIVINITY OF CHRIST.**

This article had to be followed by a second one, in February, starting with several other studies on the Satanic symbolism of the liturgical insignia of Benedict XVI, ending with the **devastating study on his coat of arms.**

At this time, Father Villa foresaw a reaction, on behalf of Benedict XVI, that would have given him the chance to turn directly to the **Authorities of the Church.** Lastly, we would publish **a Special Edition on Benedict XVI so that the Pope would be forced to leave.**»

On December 2011, Father Villa published his first article, followed by others, including the studies on the occult symbology of the liturgical insignia of Benedict XVI

On September 15, 2012, the **International Tribunal for Crimes of Church and State (ITCCS)**, started a trial on the genocide of more than 50.000 Indian children mainly Canadian.

About the same time, the Special Edition of “Chiesa viva”

Benedict XVI.

“The Antichrist in the Church of Christ” was published unmasking the satanic symbols of the coat of arms of Benedict XVI.

Suddenly, **Benedict XVI made the decision to beatify Pope Paul VI.** This was the **expected mistake** foreseen by Father Villa who, immediately wrote a “**Letter to the Cardinals**” against the beatification of Paul VI.

Father Villa died on November 18, 2012; the special edition of “Chiesa viva,” entitled “**Benedict XVI?**” was sent out to subscribers and to the Italian Clergy, and a few days later, the Spanish edition was sent out to the clergy of the Spanish speaking nations.

On **February 11**, Benedict XVI gave his resignations.

On **February 25, 2013**, it [a verdict by ITCCS] was received in the Vatican that **Benedict XVI was condemned to twenty-five years in prison for crimes against humanity** and Francis responded with a decree by which **he refused to deliver the “Pope Emeritus” to justice.**

In May 2013, **Toos Nijenhuis**, a Dutch woman, who had been forced for years by her father to take part in Satanic rituals, testified the following: «**I saw Card. Ratzinger kill a girl in a castle in France, in August 1987.**»

In the following October, another eyewitness confirmed what was said by Toos Nijenhuis, saying **he had seen Card. Joseph Ratzinger kill a girl in the fall of 1987.**

THE COAT OF ARMS OF FRANCIS

“The New Tower of Babel”

In the Special Edition of “Chiesa viva” n. 474, titled “**The New Tower of Babel**”, we proved that the coat of arms of Francis represents the ritual of the 32nd degree of the Ancient and Accepted Scottish Rite of Masonry, **the Jewish degree par excellence**.

The key idea of the ritual is that, after the **Exile of Babylon** (i.e. after the Christian era) the Jews organized an army marching towards the Promised Land to conquer it and to rebuild the Temple of Jerusalem (i.e. Freemasonry is organizing an army marching to rebuild the **New Tower of Babel**, bringing together all religions, to create a **Jewish World Government**).

The implementation of this plan requires the destruction of the Catholic Church as an Institution.

The coat of arms of Francis describes, in every detail, the composition of the “Camp of the Princes of Exile” of Babylon or better it describes the military camp of the Satanic army of Freemasonry which is preparing for its final assault against the Church of Christ and against the Kingdom of God and His Grace.

This includes **the destruction of the present order of the world, the creation of a Jewish-Masonic Government and the conquest of the world for Lucifer triumphant over God.**

Following the Kabbalistic interpretation of the Man-God, offered to us by **Mons. Leon Meurin** in his book,

Card. Jorge Bergoglio with the “**sign of recognition**” of the initiates of the 32nd degree of the Ancient and Accepted Scottish Rite. The meaning of this “**sign**” is to manifest one’s membership in the Masonic project to unite all religions in a “**New Tower of Babel**” in hatred against God, to conquer the spiritual power of the world, to create a World Government and to rule the Catholic Church to annihilate it. The coat of arms of Francis symbolizes the **Military Camp** of this Satanic Army of Freemasonry which is preparing for its final assault against the Church of Christ and against God’s Kingdom.

“Freemasonry Synagogue of Satan”, the military camp is divided into what relates to the **sky** and to the **earth**.

The **sky** is made up by: Ensoph (**Circle**), the three upper Sefirot (**Triangle**), the other 7 Sefirot (**5-arm Cross**), the choice of the people of Israel (**Emblem T or Ark of the Covenant**), the Celestial Man (the Jew) (**Emblems E, N, G, U**).

The **earth** consists of: the 5 Emblems (**Pentagon**), the 7 kings of Edom (**Heptagon**), the (**Octagon**) without emblems because those kings disappeared; the People of Israel (**Interwoven Triple Triangle**) and its history (**9 tents**).

In the heraldic emblem of the 32nd degree, the **Two-headed Eagle** represents the Celestial Man (the Jew) while the Crown symbolizes **Lucifer** and his **Gnostic-Masonic-Satanic Redemption of the Triple Trinity**.

In the coat of arms of Francis, some symbols have different meanings depending on their association with others but, as with a mosaic, what is essential is the

overall view of the composition and the unique idea that the “mosaic” transmits in its entire composition.

For reasons of space, we will try to summarize, in one page, the symbols that represent the main elements that make up the “**sky**” and the “**earth**” of the military camp of this Satanic army ready for the final assault against the Church of Christ.

For details, refer to the Special Edition of “Chiesa viva” n. 474, “**The New Tower of Babel**.”

AN ARMY READY FOR THE FINAL ASSAULT!

Coat of Arms of the 32nd degree. The **two-headed eagle** represents the **Jew**, while the **Crown** symbolizes **Lucifer** and his **Gnostic-Masonic-Satanic Redemption of the Triple Trinity**.

The **Ark of the Covenant** is made up by symbols of the coat of arms, while the words **Laus Deo** are obtained from the different sections of the "teeth" of the two keys.

The **Jew** with the **Crown** is symbolized by the **two-headed eagle** given by the composition of: miter (crown), keys (wings and two heads), sun (gold necklace), 8-pointed Star (sword in the right claw), nardo flower (bleeding heart).

Ensoph (The Circle)

It is interesting to note that the three vertices of the triangle fall on the three points **P, Q, R** that are in relation to Freemasonry.
P: Intersection of the Miter's axis and the straight line that passes through point **C**;
Q: On the left cord which is a symbol of Freemasonry;
R: On the right cord which is a symbol of Freemasonry.

The two **red ropes** each having **15 + 3 knots**.
 $15 + 3 = 18$;
the numbers **15** and **18** symbolize the **5-pointed Star** and the **6-pointed Star**, which together represent A.A.S.R. of Freemasonry.

Emblem U

7 kings of Edom (Heptagon)

The 7 kings of Edom are represented by the 7 tassels. The number 7 symbolizes the **Pointed Cubic Stone** or the **Master Mason** or **Man-God** of Masonry.

Chosen (Octagon)

The history of the People of Israel (9 tents)

The **9 tents** are represented by the nine dalle 9 light yellow and red areas of the Motto's banner.

The **triple interwoven triangle** is represented by the ends which are curled three times on the Motto's banner.

INCITEMENT TO MURDER AND CORRUPTION?

Francis, in the famous interview with Scalfari said, «**Proselytism is solemn nonsense, it makes no sense ...** The world is crisscrossed by roads that come closer together and move apart, but the important thing is that they lead towards the Good.»

Scalfari: «Your Holiness, is there a single vision of the Good? And who decides what it is.»

«**Each of us has a vision of Good and also Evil. We have to encourage people to move towards what they think is Good... And I**

repeat it here. Everyone has his own idea of good and evil and must choose to follow the good and fight evil as he conceives them. That would be enough to make the world a better place.»

But wasn't the original sin just that Man wanted to have his own idea of what was Good and what was Evil?

This recalls us the words of the High Initiate, Pierre Mariel:

«**THE TRUE FREEDOM IS THE LIBERATION FROM ORIGINAL SIN.**»

MUST ONE FOLLOW HIS "VISION OF GOOD" EVEN IF THIS CALLS FOR THE KILLING OF CHRISTIANS?

The "**vision of good**" of a **Muslim** is formed and shaped by the **Koran**, where it is written:

«**There is prescribed holy war even if you do not like**» (Koran 2:216);

«**Fight those who do not believe in God ... until they pay the tribute with submission**» (Koran 9:29);

«**Kill the idolaters wherever you find them, make them prisoners, and beleaguer them and lie in wait for them in every stratagem.** » (Koran 9.5);

«**No believer should ever help an unbeliever**» (Koran 2.216);

«**When you meet in battle those who disbelieve, smite the neck and when you will have them slaughtered with bullets, tighten their bonds**» (Koran 47.4);

«**The reward of those who oppose Allah ... is the fact that will be murdered, or crucified, or their hands and feet, shall be cut off or banished from the earth, to their disgrace in this world**» (Koran 5.33).

The "**vision of good**" of a **Jew** is formed and shaped by the **Talmud**, in which it is written about Jesus Christ and the Christians:

«**Son of a prostitute, Pandira**» (Sanhedrin, 67a);

«**Fool, demented, seductive, corrupting morals, idolatrous and a magician**» (Toldath Jeschu);

«**Similar to a beast, he was hung from the gallows, buried like a corpse under a pile of dirt; Finally, cast into hell**» (Zohar III - 282);

«**If a Jew kills a Christian, he does not commit any sin**» (Sepher Or Israel - 177b);

«**Christians must be destroyed because they are idolaters**» (Zohar - I, 25a);

«**The best of the goyim must be killed**» (Abhodah Zarah - 26b);

«**The birth rate of Christians must be substantially reduced**» (Zohar - II, 64b);

«**The extermination of the Christians is a necessary sacrifice**» (Zohar - II, 43a);

«**WHEN ROME WILL BE DESTROYED, ISRAEL WILL BE REDEEMED**» (Obadiah).

Above: President of Bolivia, Evo Morales, gives Francis a cross in the shape of a hammer with a corpus nailed to it. A sickle is placed horizontally under his feet. Does Francis know that the “**Hammer and Sickle,**” in Freemasonry, **symbolizes the spiritual and physical annihilation of the Catholic Church and the work of corruption on the world population?**

Left: Francis with the two medallions of the coca leaf and the crucifix with the hammer and sickle.

“THE HAMMER AND SICKLE”

«The **Hammer and Sickle** are both **Masonic symbols**, in the “framework of the Lodge” in the first degree of initiation, that of “**Apprentice,**” in separate form of **hammer and sickle moon**. It is also that alliance of workers and farmers! **The hammer (...)** symbolizes **power and strength with the same meaning as the closed fist**. **The sickle, however, is the symbol of philosophy, understood as a surrogate absolute religion...»**

That’s what the **Mason, Mauro Macchi**, wrote in the **Masonic Review** of 1874: «**The keystone of any system opposed to Freemasonry is the transcendental feeling that carries men beyond the present life ... As long as this system is not destroyed by the hammer of Masonry, we will have a society of poor deluded creatures who sacrifice everything to achieve happiness in a future existence...**»

Where **this genocidal policy of “hammer”** may not be applicable, Freemasonry uses the policy of “**sickle;**” **that is advocated by Engels, and that is the long and patient work aimed at organizing and “educating” the population for the decline of Religion and to eradicate, then, the Christian foundation of Society.**

But the symbolism of the “**hammer and sickle**” is not just

limited to the illustration provided. One can always discover another deeper significance that has always been in the secret of the Lodges: that of the “**Sexual Revolution;**” **a revolution that relies on sex by using it solely as an instrument for the perversion of the people!**

The symbol of the “**hammer and sickle,**” in its signification of sexual perversion, can be inferred from the interpretation of the Nature of Man in the Legend of Hiram illustrated by **Msgr. Meurin: This symbol is nothing but the set of letters “G” and “T,” the symbol for “copulation between a man and woman” and the “Cult of the Phallus,” respectively, overturned and crossed over each other, and stylized in the form of a sickle and a hammer to scramble their meaning indecent and vile!**

Yet, the same meaning is presented clearly: «**(The letter) “G” signifies Generation, namely, the symbols and acts of the phallic cults of antiquity, i.e. the Humanity fallen into the mud in the lower realm of the monkey who is considered his ancestor; hence the suppression of the supernatural life.**» Both are symbols of Satan and the **Cult of the Phallus!**

**THE “HAMMER AND SICKLE”
THEREFORE IS THE EFFIGY OF THE MASONIC PLAN
FOR THE WORK OF CORRUPTION OF THE ENTIRE POPULATION
AND FOR THE ANNIHILATION
OF THE CATHOLIC CHURCH AND FAMILY!**

FRANCIS CONDEMNED

to 25 Years of Prison for Crimes against Humanity!

From the website of the **International Tribunal for Crimes of Church and State (ITCCS)** with headquarters in Brussels, always concerned with the investigation of the genocide of more than **50,000 children** in **Canada, USA, Argentina, Europe**, as suspected victims of an **International Cult of children sacrifices** known with the name of **Ninth Circle**, we have read: **«Two girls said they had been raped by Cardinal Jorge Bergoglio, while taking part in a ritual of human sacrifice.**

Eight eye witnesses, with evidence presented to ICLCJ of Brussels, **confirmed these statements.**

According to the statements of the witnesses, these rituals of child sacrifice, carried out by members of the **Satanic Ninth Circle**, occurred in the spring of the years 2009 and 2010 in rural areas of **Holland and Belgium.**

From documents out of the Vatican archives, and delivered by a prominent Vatican official, a former employee of the Vatican Curia, the Court of Justice, it appears that **Card. Jorge Bergoglio has been involved in Satanic rituals of child sacrifice**, at a time when

he was a priest and bishop in Argentina.

Another witness stated that **he was present at the meeting of Jorge Bergoglio with the military junta**, during the **“Dirty War”** in Argentina of the ‘70s. According to this witness, **Bergoglio collaborated in the trafficking of children**, the children of missing prisoners, **to put them into an international circle of exploitation of minors**, run by an office of the Vatican.»

«The Head Plaintiff affirmed: **“Some survivors of the rituals describe those babies as being cut into pieces on stone altars and their remains consumed by the participants. During the year 1960, the surviving witnesses were forced to rape and maim other children and then cut their throats with sacrificial daggers.”**»

«According to witnesses, **Joseph Ratzinger, Jorge Bergoglio, the Jesuit Adolfo Pachon (Superior General of the Jesuits) and the Anglican Archbishop of Canterbury, Justin Welby, participated in the rituals of rape and murder of children in the Ninth Circle of Satanic Cult ...**» Here is the text of the court ruling:

IS THE CULT OF NATURE the Final Assault against the Family?

For the Illuminati of Bavaria, **the Family is the source of all evil** and – in the words of Adam Weishaupt – **only in the name of the sacredness of Pantheistic Nature can one wipe it out, along with Civilization, to return to a system of tribal life.**

Satan's plan for a **World Government** against the Kingdom of Christ can only be realized by inciting **a revolt against Nature's Grace to deify the creature** who, swollen with pride, wants to establish a society where God is totally excluded and where **the ancient religion of Nature once again assumes its "rights."**

Only with a pagan worship of Nature will one recognize the sacredness of sex, and define the sexual organs as "sacred" and worthy of adoration, because they are intermediaries between man and the gods.

The destruction of the family along with that of religion must be obtain with "secular" or "atheist" sex education and with the conquest of the souls, by **"the great means" of "influence on schools."**

The Illuminati, now, has succeeded in their goal to have **"a Pope according to their needs,"** who has **"engaged"** in their plot, as he did **enthroned Lucifer at the top of the church** where he could **"choose and appoint the successor of Papal office"** and establish and enforce the strategy for the rule of the Kingdom of the Antichrist.

We remember the words of the late **Cardinal Giacomo Biffi, «the Antichrist ... puts on the robes of an elegant and proper pacifist, environmentalist and animal rights activist. (...) The values of solidarity, peace and ecology, if they are uprooting or opposing the proclamation of the Salvific Truth, become an incitement to idolatry.»**

Then we ask ourselves: In Francesco's ecologist encyclical,

cal, Laudato si', why is the announcement of the Truth of Salvation completely absent as well as everything that refers to it?

Nature is mentioned 70 times.

The conciliar "popes" **John XXIII, Paul VI, John Paul II and Benedict XVI,** are mentioned while **the pre-Conciliar Popes are ignored.**

The words: **Christ's Redemption, Mass, Real Presence, Sacrifice of Christ, Confession, Rosary, Kingdom of God, Heaven, Purgatory** are completely absent.

However, the word **Hell** appears as a suffocation caused by residential areas that are not balanced by human relationships that give a sense of solidarity and belonging. (148).

The salvation of the soul is absent, but 4 types of salvation appear which can be achieved with an appropriate

relationship with Nature (71, 79, 79, 112).

Sin: mentioned 4 times, only in connection with Nature.

The Soul is mentioned only once, but only to "find God in all things" (233).

Supernatural Nature is taken up by God and transformed into mediation of the supernatural life (235)

The **Eucharist** is mentioned nine times (236): where creation is at the highest point, where we realize the vital center of the universe, where the Cosmos gives thanks to God, Cosmic love, celebrated on the altar of the world, covering the Heaven and Earth and penetrating all creation, the source of light and concern for the environment, which heals relationships with God and with the world, which encourages us to do our part in the care of Nature.

Risen Christ: universal maturation, illuminates everything.

WHAT TO DO? God Calls His Own

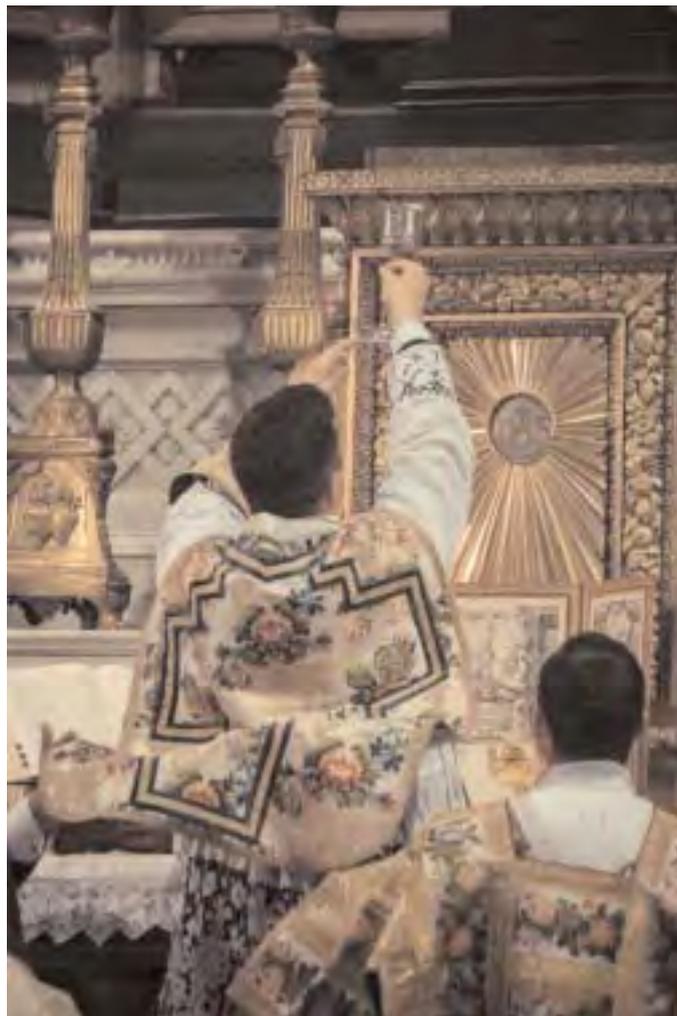

Last chapter of the book:
“Sex Education: Masonic Step towards the Annihilation of Man.”

This unprecedented defection of the Ecclesiastical Hierarchy from its duties – most basic and obvious – illustrates, irresistibly, the scriptural prophecies of the great apostasy and the short world government of the Antichrist (II.a Thessalonians, 2; Rev. 13 et seq.).

Above all, however, it must be said that each of us is personally and directly faced with a very serious and unavoidable responsibility.

In front of the extreme threat that is upon us, it is no longer enough to shake one’s head and lament in his heart! The Revolution, in its centuries-old advance, has now taken on enormous proportions so as to leave no more quiet corners or areas of intense shelter; **the choice stands now either for the Revolution and against Christ, or for Christ and against the Revolution, in such terms that silence, albeit inimical, is no longer possible.**

One truly wonders: Can a parent allow their children to be corrupted, ruined in body and soul, and exposed to the danger of even the most heinous

The bloodshed for the New and Eternal Covenant.

violence in kindergarten and other state schools or those that are officially recognized by the State without horrible guilt for which he will have to render a very close account to the Judge of Judges?

And note that this danger is much more concrete and immediate as one can be sure that **most of the “outside experts” will be chosen from the ranks of psychoanalysts, preferably followers of the Reich.**

Will the complicit silence of those who wear the clothes of the shepherds be considered sufficiently justified before the Court of the Most High?

We really don’t believe it! And will the teachers be considered accomplices, if

not by their lessons, at least by their compliance with the wickedness of the new programs and perverse work of their colleagues and fearsome “**outside experts**”?

What about the priests? Perhaps they’ll be hiding behind the shameful inaction of their superiors and the entire Hierarchy, or will they not be asked for a very close accounting of the souls

entrusted to them and for their abstract and evanescent preaching, decades from now, without any real attachment to the tragic reality we are experiencing?

Not even the religious men and women can justify their silence on the pretext of detachment from the world, when the Sons of St. Dominic, St. Francis and St. Bernard of Clairvaux roamed the streets of Europe fighting against the heresy of Catharism, from which Freemasonry descends, and the Sons of St. Ignatius fought with all force against Protestantism, which today, has reached its limits!

But even the faithful who, by Baptism and Holy Confirmation, took the honors and burdens of the son of God and as a soldier of Christ, can they remain silent in the face of the

unprecedented destruction and stand on the side lines while they watch grandchildren, younger siblings, relatives, and neighbors dragged to ultimate ruin? Moreover, even on a purely human level, let no one deceive himself: **the catastrophe of Society is also that of all its citizens.**

Experience teaches us that the awareness of the anti-Divine nature of the Revolutionary process is essential as it is nothing more than the “**mysterium iniquitatis**” [Mystery of Iniquity] mentioned

by St. Paul (2a Tess.) – Its purpose, its power and its tools, first of all, comes from the political and financial power. In absence of this and the subsequent supervision, a temporary success on the particular plan leads only to the postponement of another anti-Christian attack, which would be launched at another more favorable time, or carried out with patience, **according to a revolutionary technique proven, bypassing positions with small gradual and peaceful reforms.**

And indeed, as an example, who raised the alarm in the face of absurdity of the prolongation of elementary school until 4 in the afternoon? **Yet, this is another important step in the gradual appropriation of children by the State, and therefore in the fight against the family and against Man!**

To understand the pitfalls and restore order upset by the Revolution, we must, therefore, fully recover the Christian meaning of life, clouded by the multiple failures and compromises, **and even denied by Vatican II’s doctrine of Man’s right to choose his religion or morals at will.** It is therefore necessary to clarify, first for themselves and then for others, the terms of that eternal conflict in which they determine both for the life of the individual and also for the history of Humanity as a whole, **what then is nothing more than the fight between good and evil, between true and false. To do this, it is essential to understand that Jesus Christ is the pivot of history, the sign of contradiction (Lk 2:34)** for whom one stands for or against, and advance with Him once again to rebuild Man and Society according to God’s plan, mindful of His teaching:

«**without Me you can do nothing**»! (John 15:5) and «**whoever is not with Me is against Me**»! (Matthew 12:30).

In the heat of the infernal storm and in the hour when the power of darkness seems to extend his black pall of darkness and death throughout the world, “Chiesa viva” is calling upon its readers to fight, in no uncertain terms, the “good fight” of the Faith!

«... THE MASONIC SECT WILL BE SO SUBTLE AS TO INTRODUCE ITSELF INTO DOMESTIC AMBIENCES IN ORDER TO CORRUPT EVEN THE CHILDREN, AND THE DEVIL WILL GLORY IN DINING, WITH PERFIDY, UPON THE EXQUISITE DELICACY OF THE HEARTS OF THE CHILDREN.»
